

BRIDGE COURSES

2022-23

INTRODUCTION: In Dayanand Arya Kanya Mahavidyalaya we frame of Bridge Course for Semester I of B.A. & B.Com. programme. With a view to improve the understanding of new subjects among new students. It is very important and fundamental practice of higher education to understand the subject at an ease and for better application of knowledge.

During this interaction of Bridge Course week with the faculty and their classmates, the students will be equipped with the knowledge and confidence needed to take on bigger challenges.

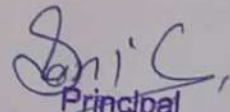

OBJECTIVES:

- ❖ To act as a buffer for the new students.
- ❖ To provide adequate time for the transition to hard-core new subject.
- ❖ A breather, to prepare themselves before courses for first year programme.
- ❖ Interactive and active learning by doing have been weaved into Bridge Course.
- ❖ Active learning with the help of other students
- ❖ The concept of assisted learning.

DESIGN: The main objective of the programme is to provide ample time and platform for the transition of students from school to the hard-core new university semester course. In spite of having very good grades at Higher Secondary Exam, students need to have exposure of university culture. Hence Bridge Course will be the best opportunity for the students to adapt themselves to new social and academic environment. During this interaction with the experts, faculties and their classmates the students were equipped with knowledge and confidence.

The Bridge Course programme successfully organized and completed under the guidance of Principal-Dr. Shraddha Anilkumar and Course Co-ordinator Dr. Ritu Tiwari (Arts) Dr. Tanuja Rajput (Commerce) Each subject expert selected students for the course on the basis of their subject knowledge after taking MCQ test and students from different faculties when opting new course on subject.

Faculty members design comprehensive syllabus which covers all basics of particular subject area. This course divided into four modules. The subject experts interacted to the students and brief the learners with their expertise in various field. The faculties aimed to build students with various skills like self-confidence, time and stress management exposure and subject orientation. The course consist of four hours of interactive session and an internal examination design by the respective department with 20 MCQ of 40 marks. The result will be publish in the website as well as on the college notice board.

REPORT 2022-23

Dayanand Arya Kanya Mahavidyalaya, Jaripatka, Nagpur has conducted Bridge Course before the first semester in order to prepare students for new develop higher education teaching module. This course helps to close the gap between two levels of competence. The Bridge Course inculcates skills and knowledge to enhance the quality management. It gives opportunities to the students to pursue additional need base of courses. Be framed a Bridge Course to first semester B.A.& B.Com. Programme students.

Objectives the Bridge Course aimed to act as a buffer for the new students with an objectives to provide adequate time for the transition to hard-core of degree courses. This gives them of breather to prepare themselves before the unset of courses for first year degree programme.

During this interaction of four hours with faculties and their classmates, students will be equipped with knowledge with knowledge and confidence. This course consists of four hours of interactive sessions. Syllabus was taken for first year students. The students of all subjects concerned for the same were those who did not have previous background and found the subject difficult to understand. The study material is prepared by the teaching faculties of the department concerned keeping into consideration the level of our students. Since most of our students are from rural area and with poor families. After completion MCQ was taken for evaluation process. For the current Bridge Course the committee members planned to involve ICT for better learning.

This will help student to select their own interest area of learning and also make them familiar to the real subjects
