Foreword

The publication of the Annual Report of the University Grants Commission (UGC) has been a regular feature since the inception of UGC in 1953.

The Annual Report for 2013-2014 provides not only the major initiatives taken by the UGC as the apex body for coordinating and maintaining standards of higher education in the country, but also highlights the initiatives undertaken by the UGC to promote the general development of universities and colleges culminating in enhancing access, equity, relevance and excellence.

During the second year of the XII Plan, the UGC has undertaken a number of new initiatives with a view to ensuring excellence and equity driven expansion of higher education. I do hope that the data/information provided in this Annual Report will be useful for the teachers, students, researchers, administrators and stakeholders in higher education.

I would like to take this opportunity to express my sincere thanks and gratitude to all the members of the Commission for their unstinted support in carrying forward the agenda of the UGC.

I would also like to take this opportunity to acknowledge the valuable contributions made by my colleagues in bringing the Annual Report in the present form. My special thanks are due to Prof. H. Devaraj, Vice-Chairman; Dr. (Mrs.) Pankaj Mittal, Joint Secretary; Shri Subhash Chandra, Ex-Coordinator; Dr. Diksha Rajput, Publication Officer and Shri Piyush Kumar, Project Officer, INFLIBNET, for supervising the printing of the Report.

Feedback for improving the contents of the Annual Report would be more than welcome.

Executive Summary : 2013-2014

The Executive Summary of the UGC Annual Report 2013-2014 encapsulates not only the activities of the UGC to achieve its mandatory objectives but also physical targets achieved under its various schemes / programmes and the expenditure entailed on the same, besides the statistical growth in the higher education sector.

1. Introduction

- The UGC functions through various Bureaus and Cells. The reports of various activities of these cells during the year under reporting are reproduced below.
- The Cell against Malpractices which deals with the menace of existence and mushrooming of Fake Universities and degrees has identified a total of 21 institutions and initiated action on them. The number of institutions varies with addition/deletion of the names of certain institutions based on the concrete actions of the UGC. The UGC issued public notice/press releases for awareness of public/students in newspapers at the beginning of academic session cautioning the aspiring students not to seek admission in fake institutions.
- The Vigilance Cell of UGC received as many as 246 complaints from CVC (25), MHRD (33), CBI (10) and 178 from various Universities & Colleges and other agencies during the reporting year and the complaints of sensitive nature were placed before the Enquiry Committee and action was initiated according to the recommendations of the Committee.
- No complaint was received by the Cell against Harassment of Women at workplace from any woman official of the UGC during the reporting year.
- The UGC had been impleaded in as many as 1126 cases filed in various courts of India during 2013-14 and an expenditure of ₹ 269.38 lakhs was incurred on the bills of advocates as compared to ₹ 224.0 lakhs in the previous year.
- The Desk-Parliament had received as many as 505 Parliament Questions during 2013-14 as compared to 533 in the previous year. The number of starred question was 44 out of which 9 questions had been under assurance and the rest had been disposed off.
- As many as 14919 applications and 776 appeals had been received and disposed off by RIA Cell of UGC during 2013-2014 and ₹ 1,35,016/- were collected as RTI fee and ₹ 28,496/- as additional fee.
- The Pay Scale Cell which is entrusted with the responsibility of co-ordinating the work of Pay Review Committee for teachers and resolving matters relating to pay scales and service conditions of teachers in Universities and Colleges, had got circulated the regulations regarding minimum qualifications for appointment of teachers and other academic staff and appointment of UGC Observers to oversee the process of selection/promotion of Readers to Professors.

- The SC/ST/OBC Cell of the UGC has been monitoring the effective implementation of the Reservation Policy for SC/ST/OBC in admissions and appointments to Teaching and Non Teaching posts in the university system.
- The Minority Cell, which was set up in 2008, deals with the issues related to Minorities such as according Deemed University status and providing affiliation to Minorities institutions etc. The Cell is strengthened by employing Group 'A' and Group 'B' officers for discharging the functions of the Cell.
- The Anti-Ragging Cell which was set up in 2008 is responsible for eradicating the menace of ragging from higher educational institutions. All higher educational institutions have been asked to follow the UGC regulations in regard to ragging. A nation-wide 24X7 toll-free anti-ragging help line 1800-180-5522 has been established with call centre facilities in 12 languages. An anti-ragging web portal is also being developed. During the reporting year (2013-2014), 132 complaints were received from various colleges/universities and the institutions concerned were asked to take action on the complaints and send the action taken report to the UGC. 125 complaints were closed at the level of the UGC and in the remaining 7 cases action taken reports are awaited.
- As many as 15 publications including UGC Annual Report have been published /printed by the Publication Bureau of the UGC and an expenditure of ₹ 28.68 lakhs was incurred during the reporting year.

The approved guidelines regarding implementation of ACP scheme in centrally funded institutions have also been circulated.
- Having come into being on 28th December, 1953, the University Grants Commission (UGC) has completed 60 years of its existence with its mandate for the co-ordination and determination of standards in Universities. It has, thus, covered 60 milestones of its journey for qualitative improvement of higher education in the country.

UGC: Significant Decisions During the Year

In discharge of its cardinal function of coordinating and maintaining standards of higher education, and for realization of the goals of the XII Plan, the UGC has taken several measures during the second year of the XII Plan (2013-2014).

- A MoU was entered into between the University of Hyderabad and the University Grants Commission for Implementation of the UGC Faculty Research Promotion Programme (FRPP).
- The Commission resolved that the scheme of 'Innovation Universities' be revisited and possibly merged with the scheme of 'University with Potential for Excellence' (UPE).
- XII Plan Allocation in respect of State Universities, Aided Colleges, Central Universities and Centrally Funded Deemed Universities was approved. While approving the allocations in respect of all eligible Universities the Commission observed that these allocations may be appropriately revised, once the final decision on RUSA is known.
- Guidelines for grant of Study Leave to University and College Teachers and for determination of admissibility of pay and allowances were approved.
- The Commission approved the enhancement of financial support to Autonomous Colleges for introduction of NCC as an elective subject with credit points for the academic year 2013-14.
- Commemoration of Diamond Jubilee of the University Grants Commission was observed.
- Regarding the status of Distance Education program the Commission ratified the decision taken with regard to the recommendations of the Expert Committee.
- The Commission approved the report of the UGC Expert Committee on the issue of allowing students to pursue two or more degrees simultaneously on regular/distance/private/online/part time basis.
- The UGC (Minimum standard of Instructions for the Grant of the Masters Degree through Formal education (First Amendment)) Regulations, 2013 were approved.

- With regards to the issue of grants to self financing colleges, it was decided that grants should not be given by the UGC to any self financing Institution, even though such institutions are included under section 12B of the UGC Act, and reiterated its earlier decision of providing assistance to teacher centric and student centric schemes to all 12B institutions.
- Amendment in the UGC Regulations on “Mandatory Assessment and Accreditation” of all Higher Educational Institutions Regulations, 2012 was Approved. However, the amendment should read as : “Assessment and Accreditation Agency means any agency such as the National Assessment and Accreditation Council, the National Board of Accreditation, or the National Accreditation Board, or any agency recognized by the University Grants Commission, or any agency established by an Act of Parliament to carry out accreditation”.
- 12th Plan Guidelines of Major & Minor Research Projects in Science & Humanities subjects were approved. However, while approving the Guidelines, the Commission decided that Minor Research Projects should be restricted to colleges only.
- XII Plan revised Guidelines for Universities with Potential for Excellence (UPE)/ Universities of Excellence (UE) were approved by the Commission.
- The Commission accorded in-principle approval for setting up of the Inter-University Centre in Teacher Educational, and decided to refer the matter to the Ministry.
- In spite of the UGC Regulations of 2012 relating to statutory accreditation of Universities and higher educational institutions, the Commission noted the fact that several of such universities/institutions have not yet undertaken the process of mandatory accreditation. The Commission deliberated on the matter and decided that in the interest of the survival and the day-to-day functioning of such universities/institutions, funds may continue to be disbursed to them. However, all such institutions should be directed to apply to the recognized accreditation agency latest by 1st June, 2014 and also inform that failure to do so may lead to discontinuation of financial assistance by the UGC from 1st April 2015 onwards. It was also decided that while this decision may be communicated to the universities/institutions concerned, the UGC may propose appropriate amendments to the aforementioned Regulations of 2012 by incorporating these decisions.
- The Guidelines and Modules for the promotion of sports during the XII Plan and integration of high performance sports facilities in Universities and Colleges were approved.
- Amendments in the Guidelines for Colleges with Potential for Excellence (CPE)/College of Excellence (CE) for XII Plan Period (2012-2017) were approved.
- The UGC approved the Guidelines of Community Colleges for Universities and Colleges (2012-2017).
- The Commission approved the Incentives for resource mobilization scheme in universities during XIIth Plan, subject to availability of funds. However, the Commission suggested that the Financial Advisor, UGC, and a representative of Finance Division of the MHRD may have a meeting to discuss the operational part of the scheme.
- The Commission approved the inclusion of Urdu/Arabic/Persian degrees for specification under Section 22 of UGC Act, 1956.
- The Commission approved the UGC (Establishment of Standards, and Maintenance thereof, in Private Universities) Regulations, 2014 with some modifications.

- The Commission deliberated at length on the UGC (Affiliation of colleges offering Technical Education by Universities) Regulations, 2014 and approved the Regulations, and decided to refer the Regulations to the MHRD for its approval.
- Relaxation of 5% (i.e. from 55% to 50%) in the qualifying marks to OBC (Other Backward Castes) candidates for direct recruitment to teaching positions as well as to undertake the NET examination held by the UGC was approved.
- The UGC approved the Guidelines for introduction of Bachelor of Vocation (B.Voc.) programme in universities and colleges under the National Skills Qualifications Framework (NSQF).
- The UGC (Recognition and Monitoring of Assessment and Accreditation Agencies) Regulations, 2014, were approved. However, it was also decided that a Plan of Action be prepared for implementing the Regulations which may be placed before the Commission for information.
- The UGC approved the amendments in the guidelines for Universities with Potential for Excellence (UPE)/ Universities of Excellence (UE) for XII Plan period (2012-2017).
- The UGC approved the revised Guidelines for the UGC Chairs in Universities during the XII Plan (2012-2017) with the following modifications:
 - (i) The consideration age may be modified to 55-70 years;
 - (ii) Chairs may also be created under the names of Pandit Madan Mohan Malaviya and Sir Syed Ahmad Khan.
- The Commission approved the proposal to extend the status of the institute as centre with potential for excellence in particular area (CPEPA) till March, 2017 and for financial assistance of ₹ 7 Crore.
- Re-implementing PG scholarship in all Universities and Colleges for ME / M. Tech for GATE qualified candidates was approved.
- As regards one-year moratorium on approval of fresh proposal for affiliation/increase in intake by Technical Colleges, the Commission resolved a moratorium for one year on:
 - a) Affiliation of fresh colleges providing technical education, by universities; and
 - b) Approval of increase in the intake of students in technical colleges.
- The Commission approved Grant of Raman Post Doctoral Fellowship to selected Teachers from institutions not under the ambit of 2(f) & 12B on a one-time basis.
- The Commission approved the revision of the Guidelines for the XII plan "Colleges with Potential for Excellence (CPE) / Institutions of Excellence (IE)" with modifications.
- The UGC (Institutions Deemed to be Universities) Regulations, 2010 were approved with modifications.
- The Commission decided to refer the UGC (Open and Distance Learning) Regulations, 2014, after incorporating modifications to the Ministry of HRD for its approval.
- The UGC approved the roll-out plan, percentage caps of API cumulative score and modification in the tenure of College Principals in UGC (Minimum qualifications for appointment of teachers, other academic

staff in universities and colleges and other measures for the maintenance of standards in higher education) Regulations, 2010 and its 2nd amendment with modifications.

- The UGC had constituted the following Expert Committees to initiate a number of policy measures.
 1. Partial Amendment in Masters' Degree Regulations
 2. Specification of Degrees under Section 22 of UGC Act
 3. Promotion of Indigenous Languages
 4. Pursuing two degrees/courses simultaneously through Regular/Distance mode
 5. For framing Regulations on affiliation of Universities on Supreme Court judgement on AICTE
 6. Framing Regulations for NHEQF(CABE Committee)
 7. Norm Based Funding to Universities and Colleges

2. Growth of Higher Education System: Some Statistics

- The Commission is empowered under Section 12 (h) of the UGC Act to collect information on all such matters relating to University education in India and other countries as it thinks fit.
- At the time of Independence of India, there were only 20 Universities and 500 Colleges in the country with 2.1 lakhs students in higher education. The numbers now have increased 37 times in the case of the Universities, 79 times in the case of Colleges and the students enrolment has gone up to over 113 times in the formal system of higher education in comparison to the figures at the time of independence.
- As on 31.03.2014, the number of Universities had gone up to 666 universities – (45 Central, 313 State, 175 State Private, 129 Deemed to be Universities, four Institutions established under State Legislation) and 39,671 colleges in the Higher Education sector. So far as the number of universities in states is concerned, Rajasthan tops the list with 61 universities, followed by Uttar Pradesh (59), followed by Tamil Nadu (51), etc. It is observed from the list that there is uneven establishment of universities in the states.
- During the reporting year 2013-2014, 13 State and 24 State Private Universities were included in the UGC list of universities and 4 universities were declared fit to receive central assistance under 12 B of the UGC Act.
- As many as 2467 new colleges were established in various states during 2013-2014, thus taking the total number of colleges from 37204 in 2012-2013 to 39671 in 2013-2014.
- At the end of the financial year 2013-2014, the total number of colleges recognized under Section 2(f) of the UGC Act, 1956 was 9360. The maximum number of colleges recognized so far under Section 2(f) is in the State of Uttar Pradesh (1766), followed by Maharashtra (1221), Karnataka (791) and Andhra Pradesh (632), etc.
- During the academic session 2013-2014, the total enrolment in all courses and levels in regular stream was 237.65 lakhs including 105.52 lakhs women students, constituting 44.40%. The maximum number

of students had been enrolled in the state of Uttar Pradesh (37.72 lakhs), followed by Maharashtra (26.87 lakhs), Andhra Pradesh (22.01 lakhs) and Tamil Nadu (21.85 lakhs), etc.

- The student enrolment in terms of percentages at various levels had been as under:

Level	UG	PG	Dip./Cert.	Research
Percentage of total enrolment	85.12	12.35	1.68	0.85

- About 89.49% of all the under-graduate students and 73.61% of all post-graduate students were in the affiliated colleges while the remaining were in university departments and their constituent colleges.
- Out of the total enrolment of students (237.65 lakhs), 36.57% students were in the faculty of Arts, followed by Commerce 17.60% and Science 17.23%, thus constituting 71% enrolment in just three faculties, while the remaining 29.00% enrolment were in professional faculties. This uneven distribution is an indicator demanding policy change.
- The strength of the teaching faculty in universities and colleges has gone up to 10.49 lakhs as compared to 9.51 lakhs teachers in the previous year. Out of 10.49 lakh teachers, 82.70% teachers were in colleges and the remaining 17.30% in universities.
- The number of research degrees Ph.D. awarded during 2012-2013 was 20,275. Out of this, the Faculty of Science had the highest number with 6641 Ph.D. Degrees, followed by the Faculty of Arts with 6298 Ph.D. Degrees. These two faculties together accounted for 63.81% of the total number.
- The number of women students enrolled per hundred men students enrolled at all levels was 79.87 in the reporting year 2013-2014.
- In terms of percentages, the women enrolment has been the highest in Daman and Diu (68.55%), followed by Goa (60.23). In absolute numbers, UP had been on the top with 16.77 lakhs women enrolment, followed by Maharashtra (12.54 lakhs), Tamil Nadu (11.12 lakhs), etc.
- The women enrolment had been the highest in the faculty of Arts (44.91%), followed by Science (18.11%) and Commerce (16.42%), constituting 79.44% in the three faculties, while the remaining 20.56% in all the professional faculties. The maximum percentage of women enrolment in professional faculties had been in the faculty of Engineering/Technology (9.41%).
- During XII Plan, as many as 240 new women colleges had been established in various states, thus taking the total number of women colleges to 4506.

3. Development (Plan) and Maintenance (Non-Plan) Assistance to Universities

- General Development Grants are being provided to the Central, State and Deemed Universities for their overall development covering aspects like enhancing access, ensuring equity, imparting relevant education, improving quality, making the administration effective, enhancing facilities for students, augmenting research facilities and any other plans of universities. Maintenance Grants are also being provided to limited number of universities to meet their recurring expenditure on salaries of both teaching and non-

teaching employees, maintenance of labs, libraries, buildings and also for obligatory payments such as taxes, telephone & electricity bills, postage, etc. The Central and a few Deemed Universities are being paid both Plan and Non-plan grants where as the State Universities are being paid only Plan grant.

As on 31.03.2013, as many as 35 Centres are functioning in 35 universities. No Grant was released under the scheme to Universities during 2013-14.
- The Commission has been providing financial assistance to universities for the establishment of SC/ST Cells to ensure effective implementation of the reservation policy for SC/ST in admissions, recruitment of

both teaching & non-teaching staff, etc. in universities. There are 127 beneficiary Universities/Deemed Universities & IUC's. Financial assistance shall be provided only to the centrally funded universities under the scheme during the XII plan (decision taken in 493rd Commission meeting dated 10.05.2013).

- To make Colleges and Universities more responsive to the needs and constraints of the disadvantaged social groups, the UGC had planned to establish Equal Opportunity Cell (EOC) in Colleges & Universities.
- In order to enable students belonging to SC/ST/OBC (Non Creamy Layer)/Minority Communities who need remedial/NET-SET Examination/Entry into Service Coaching to come to the required level. The UGC provides financial assistance for conducting special classes outside the regular time table.

8. Relevant and Value Based Education

- The objective of the programme of Career Orientation to Education is to introduce career and market oriented, skill enhancing add-on courses that have utility for job, self-employment and empowerment of the students. Under this programme, the UGC has been assisting eligible institutions to the tune of ₹ 7.00 lakhs per course for Humanities and Commerce and ₹ 10.00 lakhs per course for Science Streams as one-time seed money for five years towards purchase of books and journals, lab and other equipment, remuneration to guest faculty etc. The Colleges/ Universities are required to opt for need based three courses only. Grant could not be released during 2013-14 due to the requirement of certain information/ documents in reference to total grant of ₹ 13.37 crore paid during the year 2012-13.
- To promote holistic understanding of the areas outside India with its cultural, social, economic and strategic specificities and to provide critical input to the policy makers particularly in India's economic, strategic and political interests, the UGC has been identifying universities from time to time for establishing Area Study Centres. At present, as many as 52 Area Study Centres (23 centres on regular basis and 29 centres in 20 universities on project mode) are functioning in the universities. Focus is on those countries and regions, which have close and direct contact with India. During 2013-2014, an amount of ₹ 2.00 crores had been given to the Centres for their activities under the programme.
- To acquaint teachers and students with the thoughts and ideas of great social thinkers of India, there are 376 Study Centres established in various Universities/Colleges. 186 Study Centres are approved for continuation during XII Plan. A total grant of ₹ 1.84 crores was released to these Centres for carrying out their activities during the reporting year.
- For introduction of an under-graduate degree, post-graduate degree, diploma and certificate courses as well as for holding seminars, symposia and workshops on Human Rights and Duties Education and for spreading awareness among the teachers, students and public, the UGC has been providing financial assistance to various Universities and Colleges under Human Rights Education Scheme. An amount of ₹ 40,000 had been released to the Universities and Colleges during the reporting year. The Commission decided that the scheme of Human Rights Education may be grouped with General Development Assistant (GDA). (Decision taken on 493rd meeting held in 10.05.2013)

9. Integration of Information and Communication Technologies

- As part of E-Governance, E-Office has been implemented in the UGC to create paperless environment as regards receipt and movement of files etc.
- For developing courseware e-content in Post-graduate subjects across all disciplines, the UGC has constituted a Standing Committee to prepare blueprints and to observe the entire operation of the scheme. The task of development of e-content has been entrusted to INFLIBNET. The e-content so developed would be available in open access through a Learning Management System (LMS) set up at INFLIBNET Centre as well as through Sakshat Portal. The total cost incurred in the project during 2013-14 is ₹ 6.59 crores.

10. New Initiatives

- The UGC has launched the scheme of Community Colleges on Pilot basis during the year 2013-14. The main objective of the scheme is to offer low cost, high quality education locally which encompasses both traditional skill development as well as traditional course work, thereby providing opportunities to the learner to move directly to employment sector or to move to the Higher Education sector. 64 Community Colleges were approved under the scheme during 2013-14 (7 in Universities & 57 in colleges). An amount of ₹ 11.93 crore was released during the year 2013-14.
- The Ministry of Human Resource Development vide its order dt. 29th Dec, 2012 issued directives under section 20(1) of the UGC Act, 1956 with regard to regulation, maintenance of standard and according recognition i.r.o. Distance Education Programmes conducted by institutions of higher education. The UGC has taken several steps on these directions. An amount of ₹ 57.00 crores approximately has been sanctioned to 12 state open universities and about 45 Directorates of Distance Education of the dual mode Universities during 2013-14.
- The UGC has launched a scheme on skill development based higher education as a part of College/ University education leading to Bachelor of Vocation (B.Voc) Degree with multiple exits such as Diploma/ Advance Diploma under the NSQF.

1 Introduction

1.1 Legend

The University Grants Commission (UGC) came into existence on 28th December, 1953 and became a statutory body of Government of India by an Act of Parliament in 1956, for the coordination, determination, and maintenance of standards of university education.

- As per the Section 18 of the UGC Act, the Commission shall prepare once every year an Annual Report giving a true and full account of its activities during the previous year, and copies thereof shall be forwarded to the Central Government and the Government shall cause the same to be laid before both Houses of Parliament.
- The Commission consists of the Chairperson, Vice-Chairperson and ten members (Secretary-Education, Secretary-Expenditure, 8 other members) appointed/ nominated by the Government of India. The Secretary headed the Commission's Secretariat with 542 working staff including 77 Group 'A' and 248 Group 'B' officers and 205 Group 'C' officials. Out of working staff strength, 28% are women, 19% Scheduled Caste, 4.8% Scheduled Tribe employees.
- The UGC has decentralized its functioning by opening **seven** Regional Offices in the country since 1994, in a phased manner, for easy access and speedy release of grants and implementation of various schemes/programmes relating to college sector.
- The main objective of the Twelfth Plan (2012-2017) of UGC is to expand enrolment in higher education with quality, inclusiveness and relevance with academic reforms. The target of 30% Gross Enrolment Ratio (GER) is set for XII Plan and it is to be achieved by adopting the dual strategy of increasing the number of educational institutions and enhancing the intake capacity of the existing institutions.

1.1(a) Role and Organization of UGC

The University Grants Commission which came into existence on 28th December, 1953 became a statutory body of Government of India by an Act of Parliament in 1956. Section 12 of the UGC Act provides that the Commission shall in consultation with the universities concerned, take all such steps as it may think fit for the promotion and coordination of university education and for the determination and maintenance of standards of teaching, examination and research.

The UGC serves as a vital link between the Union and State Governments and the institutions of higher learning. In addition to its role of giving grants to universities and colleges, the University Grants Commission

also advises Central and State Governments on the measures necessary for the improvement of university education. It also frames regulations such as those on the minimum standards of instruction and qualifications of teachers.

In order to accomplish the multi-dimensional objectives of higher education and in discharge of its cardinal function of coordinating and maintaining standards of higher education, the UGC has over the years, evolved and implemented a wide variety of programmes for realization of the goals of higher education.

Organizational Structure

The Commission consists of the Chairperson, Vice-Chairperson and ten other members appointed by the Government of India. The Chairman is selected from amongst persons who are not officers of the Central Government or of any State Government. Of the ten members, two are selected from among the officers of the Central Government to represent the Government. Not less than four, selected from amongst persons who, at the time they are selected, shall be teachers in the universities.

The remaining members are selected from amongst the following persons :

- (1) Who have knowledge of, or experience in agriculture, commerce, forestry or industry;
- (2) Who are members of engineering, legal, medical or any other learned profession; or
- (3) Who are Vice-Chancellors of Universities or who, not being teachers of universities, are in the opinion of the Central Government, educationists of repute or have obtained high academic distinctions.

The Executive Head of the UGC is the Secretary. The Commission's Secretariat was headed by the Secretary with the following staff during 2013-2014:

Group	Sanctioned Strength	Total Working Strength	Out of Total working Strength		
			Women(%)	SC(%)	ST(%)

1.2 About the Twelfth Plan

Higher education is the chief instrument for ensuring the upward mobility of the people and the advancement of the country. The Indian higher education system is being supported by Plan assistance. The University Grants Commission sponsored a number of studies on various dimensions of higher education in the country in order to develop necessary information base as a source material to prepare a report on approach and strategy for the Twelfth Plan. The studies are related to Expansion, Inclusiveness, Quality and Finance. The information generated by these studies has been used for preparation of perspective of the XII Plan and the findings have helped in shaping its goals and objectives.

The main objective of the XII Plan is to expand enrolment in higher education with inclusiveness, quality and relevant education along with necessary academic reforms in the university/college system. Thus, the main focus has been on expansion and access to higher education through increasing institutional capacity and enhancement of intake capacity, promotion of inclusive education through equal access to various groups in higher education, undertaking academic and governance, reforms, etc.

A target of 30 % Gross Enrolment Ratio (GER) by 2017 from 15 % in 2012 was set for the XII Plan. The fifteen per cent net increase was sought to be achieved through a dual strategy that include increasing the number of educational institutions and enhancing the intake capacity of existing institutions.

The main objectives of the XII Plan are as follows:-

- a) To help increase the enrolment ratio from the level of about 15 % to 30 % by the end of XII Plan;
- b) Expansion of educational capacity in terms of number of universities, colleges and other institutions to meet the target of 30 % Gross Enrolment Ratio (GER);
- c) To increase the enrolment rate in districts that suffer from less access to higher education;
- d) To increase the enrolment of educationally backward groups and enhance inclusiveness;
- e) To promote quality and excellence;
- f) To promote relevant education;
- g) To promote the use of information and communication technology and focussing on other related issues;
- h) To undertake reforms in admission, examination and evaluation systems in the universities and colleges;
- i) To improve the work efficiency of the UGC through computerization in its internal working and inter-connectivity with educational institutions, including the improvement in human resources in the UGC;
- j) To improve the data base and research capabilities in order to strengthen the education policies and programs on sound basis and to create a proper institutional set up.

The Commission in its meeting held on 10.05.2013 has approved the allocation of ₹19800 crore. The Plan Allocation for UGC has been divided into three broad sectors as given below:

1.3 Special Cells Functioning in the UGC

(a) **Right to Information Act (RIA) Cell**

The University Grants Commission is an autonomous body under the MHRD and provides information to the applicants under Right to Information Act, 2005. A cell under the Central Public Information Officer (CPIO) i.e. Right to Information Act (RIA Cell) receives the applications/appeals and prepares the required number of copies to send through CPIO to different CPIOs/ Appellate Authorities who have the relevant information.

- There are 18 Appellate Authorities and 38 CPIOs in the office of UGC including the main office, branch offices and Regional Offices.
- The RTI applications / appeals from the applicants and notices/ decisions from Central Information Commission etc. are centrally received in the name of Central Public Information Officer (CPIO) at the main office and forwarded to the Central Public Information Officers concerned who have the requisite information.
- A copy of the RTI application/appeal/notice/decision is retained in the RIA cell for record.
- All the Bureau Heads in the UGC are designated as Appellate Authorities under RTI and the Deputy Secretaries/Under Secretaries/Education Officers in the bureau under them are designated as Central Public Information Officers.
- The data of quarterly/ annual report of number of RTI applications/ appeals/fee etc. is prepared by RIA Cell and uploaded on the CIC portal and on UGC website.

- The RTI applications/appeals received at Regional Offices are being dealt with directly by the respective Central Public Information Officers/ Appellate Authorities.
- The record of the RTI fee collected from the applicants is also maintained by the RIA Cell.
- The list of Central Public Information Officers/ Appellate Authorities is placed on the UGC website.

During the year 2013-14, the UGC received and disposed of 14919 RTI applications and 776 Appeals. The RTI fee collected was ₹1,35,016 /-and the additional fee ₹28,496/- during the year 2013-14.

(b) Pay Scale Cell

The Pay Scale Cell, set up in 1984, is entrusted with the responsibility of coordinating the work of Pay Review Committees set up from time to time. It also interacts with the national level organizations of teachers and also the MHRD in matters relating to Pay Scales and service conditions of teachers in Universities and Colleges. During the reporting year 2013-14, the following important decisions have been taken and conveyed to the universities:-

1. New Regulations 2010 on minimum qualifications for appointment of Teachers & Other Academic Staff:

The Pay Scale section has issued 2nd amendment (Regulation 2013) to the UGC Regulations on Minimum qualifications for appointment of Teachers and other Academic Staff in Universities and colleges and measures for the maintenance of standards in Higher Education, 2010 regarding Academic Performance Indicators for CAS and appointment of Vice-Chancellors. (F-Y)

2. Appointment of UGC Observers for promotion from Reader to Professor under Career Advancement Scheme for the period from 2013 to 2014

The UGC has been monitoring the selection process for promotion from Reader to the post of Professor under CAS in all recognized Universities operating in India by appointing a UGC Observer. This arrangement has been made to ensure that the procedure laid down for the purpose is being complied with by the Universities. During the reporting year i.e. 2013-14, as many as **58** UGC observers were appointed to oversee the selection process for promotion from the post of Reader to the post of Professor under CAS.

(c) SC/ST/OBC Cell

The SC/ST/OBC Cell of UGC monitors the effective implementation of the Reservation Policy for SC, ST & OBC candidates in admissions, and teaching and non-teaching posts in universities and colleges. A Standing Committee on SC/ST/OBC has been constituted to oversee the effective implementation of the reservation policy in universities and colleges. The Committee is represented by academic experts, former Vice-Chancellors and distinguished persons in the field of higher education. The Standing Committee and Sub-Standing Committee meet from time to time and monitor the status of reservations and the backlog in vacancies in universities and colleges.

As per the directions of the Government of India, the UGC has been striving for the implementation of reservation policy for other backward classes (OBCs) in teaching, non-teaching and in admissions. Instruction have been issued to implement 27% reservation for OBCs in all the grant-in-aid institutions funded by the Central Government except minority Institutions under Article 3(1) of the Constitution of India.

A Standing Committee has also been constituted by the UGC for the welfare of Other Backward Classes to assess and monitor the implementation of the reservation policy for OBCs in appointments and admissions in universities, colleges and other institutions of higher education.

(d) Minorities Cell

The Minorities Cell of the UGC deals with the issues relating to minorities, like giving the status of Deemed Universities to Minorities Institutions, providing affiliation to Minorities Institutions with the Universities and other minorities - related issues.

The Standing Committee for Welfare of Minorities regularly monitors and reviews the ongoing schemes for Welfare of Minorities. The Standing Committee holds its meeting once or twice in a year, as per the direction of the Government of India, and the meeting of the Sub-Committee for the Welfare of Minorities constituted is held from time to time. The Committee recommended the inclusion of Sub-Component to enhance the Number of schemes for Welfare of Minorities.

(e) Vigilance Cell

The University Grants Commission has set up a Vigilance Cell in accordance with the instructions of the Government of India to keep a close watch on official work so that it does not indulge in acts of corruption. The Cell, generally, is headed by an officer of Joint Secretary rank or above on the recommendation of the Chairman, UGC, which is duly vetted by Central Vigilance Commission. The Central Vigilance Officer (CVO) is mainly responsible for the prevention and detection of corruption cases in the UGC, Universities/Colleges and to take legal action wherever necessary. The CVO is to further ensure the following:

- Maintaining proper surveillance on officers of doubtful integrity.
- Ensure prompt observance of Conduct Rules relating to integrity covering (i) statement of assets and acquisitions (ii) gifts (iii) relatives employed in private firms or doing private business (iv) benami transactions.
- Location of sensitive spots, regular and surprise inspections of such spots and proper scrutiny of personnel who are posted in such sensitive posts.
- Introduction of preventive measures for bringing transparency and simplicity in the process of allocation and disbursement of grants to universities and colleges.

As directed by the Central Vigilance Commission, the UGC observed the **Vigilance awareness week from 28th October, 2013 to 2nd November, 2013** by administering the pledge, displaying banners and posters and distributing pamphlets etc. during the period under report.

During 2013-14, the Vigilance Cell received complaints from **CVC (25)**, **M/HRD (33)**, **CBI (10)** and 178 **other** complaints from various Universities / Colleges and other agencies. The complaints received from Universities and Colleges have been forwarded to the bureau concerned of the UGC for taking necessary action. The Complaints of sensitive nature had been placed before the Enquiry Committee appointed by Chairman, UGC. The Cell initiates action according to the recommendations of the Vigilance Enquiry Committee and takes up the matter with respective bureaus.

(f) Legal Cell

Legal Cell was established in 1989 in the UGC main Office. The Legal Cell deals with Court Cases in Supreme Court of India, various High/Lower Courts, forums & Commissions etc.

The Legal Cell coordinates the Court Cases between Standing Counsels engaged in different courts, tribunals other judicial bodies all over India and the Legal Consultant. Secondly, it provides Legal opinion on different matters to all the Bureaux of the UGC.

On receipt of a Formal Notice from a court, Vakalatnama is issued to the Panel Advocate concerned, and thereafter, legal opinion is sought from the UGC Legal Consultant and the para-wise comments are invited from the Section concerned. Such comments are provided to the Panel Advocate as per opinion of Legal Consultant, for filing reply & defending the case till the disposal of the case. All the correspondence(s) are done by the Cell with the Panel Advocate(s). If any case is disposed off, a copy of the Judgment received from court/counsel is forwarded to Bureau concerned for taking necessary action as per the direction of the Court, if any.

Presently, most of the cases are regarding pay scales, qualifications, age of superannuation, selection of teaching and non-teaching staff in the Universities and Colleges, admission in Professional NET Courses, Common Entrance Test, and Establishment of different Institutions, Fake Institutions, etc. Some cases are regarding Administrative matters of the UGC staff also.

Presently the total number of cases involved and expenditure incurred on them during 2013-2014 is as under.

Year	No. of cases received	Exp. Incurred on the Bills of Advocates (₹ In lakhs)
2013-2014	1126	269.38

(g) Desk : Parliament Matters

Desk: Parliament Matters in the UGC office coordinates the replies to Parliament Questions received from various Ministries of the Govt. of India, particularly the Ministry of Human Resource Development related to higher education.

The number of parliament questions received / replied during budget / monsoon / winter Sessions of Lok Sabha/ Rajya Sabha during 2013-2014 is given below:

(h) Cell against Malpractices

The Mal Practices Cell established on 30 May, 1996 deals with matters relating to the existence/ functioning of fake or unrecognized universities/ institutes in the country which are awarding degrees in contravention of the UGC Act, 1956. These are not established institutions under a State Act or a Central Act or a Provincial Act or an Institution specially empowered to confer or grant degrees. Therefore, the fake Universities/ Institutions are not recognized under Section 2(f) of the UGC Act, 1956. The basic objective of the Cell is to collect information through print media and other sources and bring it to the notice of the Commission.

Presently, there are 21 Fake Universities/Institutions on the list of fake Universities maintained by the UGC. The Statewise list of 21 Fake Universities is available on the UGC website.

(i) Cell against "Sexual Harassment of Women at Work Place"

To look into the grievances of women employees at work place, the UGC "Sexual Harassment of Women at Work Place" Cell is headed by a Joint Secretary, UGC. In the period under the report there were no instances of any complaint.

(j) Anti-Ragging Cell

In pursuance to the Judgment of the Hon'ble Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009", notified on 17th June, 2009, which are in force. The UGC has made it clear to all Universities that the Regulations are mandatory.

The Commission has made it mandatory for all institutions to incorporate in their prospectus the directions of the Government regarding prohibition and consequences of ragging. The Commission has included a specific condition in the utilization certificate in respect of any financial assistance or grants-in-aid to any institution under any of the general or special schemes of the Commission that the institution has complied with the anti-ragging measures. The UGC reminds all Universities every year before the start of the academic session through public notices, website and letters to Universities to ensure strict compliance of anti-ragging measures. Recently also, a public notice regarding curbing the menace of ragging in higher educational institutions has been published on 19.7.2013. A video film on anti-ragging developed by the Consortium for Educational Communication (CEC) has been uploaded on the UGC website and all universities have been asked to give wide publicity amongst students, staff, other stakeholders and colleges under their jurisdiction. As per the 2nd amendment in UGC anti ragging regulations published on 29.03.2014 in the Gazette of India, UGC has made it mandatory for all students/parents to submit/filled anti-ragging related online undertaking to the institutions at the time of admission and every academic year.

A nationwide toll free anti-ragging helpline 1800-180-5522 has been established which can be accessed by students in distress owing to ragging related incidents. The helpline has been established with call centre facilities in 12 languages, viz. English, Hindi and regional languages (Tamil, Telugu, Malayalam, Kannada, Punjabi, Marathi, Oriya, Assamese, Gujarati and Bengali), for helping victims of ragging besides facilitating effective action in respect of such incidents. The Helpline directly receives complaints from the complainant/victim of ragging. The same is forwarded by the help-line to the respective institutions and the local administration (SHO & SP) for taking necessary corrective action. An Anti-Ragging Cell is functioning in the UGC to coordinate the various anti-ragging measures. All complaints regarding alleged ragging incidents received in the UGC are being promptly attended to and action taken reports are sought from the institutions concerned. In cases of delayed response, repeated reminders are made and when no action taken is reported, punitive action is being initiated.

During the last year, ever since the inception of the helpline, i.e. from April, 2013, 132 alleged ragging complaints have been received in the UGC.

The UGC has brought these complaints to the notice of respective institutions and vigorously followed up with them through reminders and show-cause notices to take urgent and immediate action in this regard. 125 Complaints were closed during 2013-14 at the level of the UGC. In the remaining 07 cases action taken reports are awaited and in case no response is received, relevant punitive action shall be initiated as per the UGC Regulations on curbing the menace of Ragging, 2009.

The Hon'ble Supreme Court vide Civil Appeal No. 887 of 2009 in its judgment dated 8.5.2009 had constituted a Committee comprising of psychiatrists/mental health specialists etc. to ascertain the psychological impact of ragging on students and recommend urgent and mandatory mental health measures to be implemented in Schools, Colleges and all educational and vocational institutions, so as to avoid the occurrence of ragging.

The UGC has approved a proposal of the Committee constituted by Hon'ble Supreme Court to conduct **Psycho Social Study of Ragging** in selected educational institutions in India. An amount of ₹49.12 Lakh has been approved and ₹24,56,000/- & ₹10,00,000/- has been released for this purpose on 5.10.2012 & 28.03.2014.

The Coordination group constituted by the Commission for taking effective measures against ragging in the higher educational institutions in India was held on 27.03.2014.

The UGC has appointed Prof. Raj Kachroo, Founder Trustee (Aman Satya Kachroo Trust) as a Monitoring Agency (NGO) for a period of one year from 02.01.2014 & further extension may be given to the monitoring agency based on its satisfactorily performance.

The Inter Council Committee & Coordination Group meeting was held on 27.03.2014. It was decided in the meeting that the complaints should be communicated directly by the monitoring agency to various councils keeping the UGC in the loop. In the meeting the UGC has informed the councils that the process of filing an undertaking is a simple process where there would be no need for stamp paper or for a Notary. Students can go on line for submitting the undertaking.

The UGC has also issued a circular to all universities dated 28.06.2013 for constitution of various Committees for compliance with the UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009 and also sent a letter to the Vice-Chancellors dated 02.08.2013, 28.04.2014 & 04.08.2014 regarding menace of ragging in higher education and requested to display hoardings, distribute pamphlets etc. The UGC has also published a public notice in the leading newspapers on 19.07.2013 & 19.02.2014 on curbing the menace of Ragging in Higher Educational Institutions. All the above circulars & public notices have been displayed on the UGC website i.e. www.ugc.ac.in.

Year	Total no. of complaints received in the year 2013-2014	No. of cases where action taken reported by Institutions	Pending complaints	Remarks
1 st April, 2013 to 31 st March, 2014	132	125	7	In the 07 cases action taken report is awaited and in case no response is received, relevant punitive action shall be initiated as per the UGC Regulations (Repetition).

1.7 Diamond Jubilee - 60 Years of UGC in the Cause of Higher Education

The University Grants Commission (UGC) completed 60 years of its existence with its mandate for 'coordination and determination of standards in universities'. Coming into being on 28th December, 1953, it has covered 60 milestones of its journey for qualitative improvement of higher education in the country.

The Diamond Jubilee function was held on December 28, 2013 at Vigyan Bhawan, New Delhi. It was inaugurated by the Prime Minister Dr. Manmohan Singh; the function was presided over by the Minister for Human Resource Development, Dr. M.M. Pallam Raju. The Minister of State for Human Resource Development, Dr. Shashi Tharoor, graced the occasion, besides members of the Commission, former Chairpersons of the UGC, Vice-Chancellors of Universities, and academics from all parts of the country.

In his inaugural address, the honourable Prime Minister, while acknowledging the contributions of the UGC in the cause of higher education, suggested that "it should also now play the role of a national 'think-tank' and organize a professional and purposeful discourse about issues that have a bearing on the sound development of Higher Education in the country". He emphasized that by making interdisciplinary research and innovation the salient agenda of the university system, we can hope to improve our ranking amongst the top universities of the world. He said that since 96% of students receiving higher education in the country are in the State higher education system, State universities, in particular, required attention and support to improve the quality of teaching and research. The Rashtriya Uchttar Shiksha Abhiyan will address this concern. He said that there is a need not only to continue the focus on the three "Es" of Expansion, Equity and Excellence but also add a fourth "E" of Employability.

The Prime Minister lauded the rapid expansion of higher education with the establishment of more Central Universities, IIMs, IITs, NITs, IISERs, IIITs and SPAs and also emphasized the need to make higher education more inclusive. He referred to efforts to encourage skill development in a big way so that trained work-force is available to meet the needs of our growing economy and new opportunities for productive employment are

created in large numbers. He referred to specific concerns like shortage of quality faculty, strengthening university-industry-interface and research to address issues of critical national importance like climate change and disaster management, besides strengthening the university information management system on a priority basis for effective policy planning.

The Prime Minister expressed his happiness at the institution of five awards in the name of Pandit Jawaharlal Nehru, for individual excellence in the field of Science, Technology, Humanities and Social Sciences, Fine Arts and Culture.

SAARC Regional Conference on Status of Higher Education in South Asia was organised from 13th-14th January, 2014 in New Delhi.

The HRM, Dr. M.M. Pallam Raju said that the issues and challenges in relation to access and expansion, equity and inclusion, quality and excellence will remain perpetual concerns in higher education and the UGC should focus on these challenges with increased vigour. He hoped that the national target to increase the Gross Enrolment Ratio to 30% will be achieved by the 2020, while referring to special schemes launched for nurturing social equity. He referred to autonomy of the higher education system and emphasized that academic, administrative and financial autonomy need to be addressed in an integrated perspective vis-à-vis accountability. He pointed to the need of evolving models of blended learning with online educational resources, as the requirement of future.

The HRM announced the creation of Chairs in the name of Nobel Laureates: Rabindranath Tagore, C.V. Raman, Hargobind Khorana, Mother Teresa, S. Chandrasekhar, Amartya Sen and V. Ramakrishnan in the university system. He felt that work done through these Chairs in our universities will become a perpetual source of inspiration for the younger generation of scholars.

Prof. Ved Prakash, Chairman, UGC, said that the quantum of public funding for higher education has seen explosion in the volume of both students and institutions. He cited investment of about ₹7,461 crores for nurturing of social equity and excellence of higher education benefitting about 23 million students. He referred to the efforts of the UGC to nurture teaching and research environments in the universities through several initiatives and the support provided to the Inter-University Centres in the areas of Accelerator Based research facilities, Astronomy and Astrophysics, Consortium for Scientific Research, Educational Communication, Information and Library Network, Assessment and Accreditation and Teacher Education.

He highlighted some significant initiatives for prevention of caste-based discrimination/harassment/victimization and for promotion of equality in higher education; establishment of mechanism for grievances redressal in the university system; mandatory assessment and accreditation of higher educational institutions; regulation of entry and operation of foreign educational institutions in India.

Prof. Ved Prakash said that the phenomenon of the brain drain has been successfully reversed through the UGC's faculty recharge programme under which 163 faculties who are Ph.Ds or Post-Docs from abroad have been appointed; the UGC takes care of their salaries but they serve different universities. Besides, some major initiatives namely: Singh-Obama 21st Century Knowledge Initiative, U.K. India Education and Research Initiative, India-Australia, India-New Zealand and India-Israel Education Councils, twinning arrangements between foreign and Indian institutions have been implemented.

He reiterated the reviewed commitment of the UGC for engagement with policy research, creation of authentic data bases in higher education, enhancing technology mediated teaching and learning, strengthening mechanism of mandatory institutional and programme accreditation as also structural and governance, reforms. The UGC's proactive steps in regard to Anti-Ragging and measures of safety of women on the university campuses and gender sensitization will go a long way in ensuring a better learning environment.

1.8 Major Decisions during the Year

In discharge of its cardinal function of coordinating and maintaining standards of higher education, and for realization of the goals of the XII Plan, the UGC has taken several measures during the second year of the XII Plan (2013-2014).

- A MoU was entered into between the University of Hyderabad and the University Grants Commission for Implementation of UGC Faculty Research Promotion Programme (FRPP).
- The Commission resolved that the scheme of 'Innovation Universities' be revisited and possibly merged with the scheme of 'University with Potential for Excellence (UPE).
- The Commission approved the XII Plan Allocation in respect of State Universities, Aided Colleges, Central Universities and Centrally Funded Deemed Universities. While approving the allocations in respect of all eligible Universities the Commission observed that these allocations may be appropriately revised, once the final decision on RUSA is known.

- Regarding the status of Distance Education program the Commission ratified the decision taken with regard to the recommendations of the Expert Committee. The proposal to constitute a Committee for taking decision on distance education programs was approved. However, it was suggested that the decision taken by the Committee may be brought to the Commission for ratification. The Commission decided that the present arrangement may continue for the next three months; a request may be made to Secretary (HE), Ministry of HRD to convene a meeting with Vice Chancellor, IGNOU and Chairman, UGC to address the various personnel issues, after which appropriate steps may be taken for creation and filling up of posts in the UGC to deal with the additional work pertaining to Open and Distance Learning (ODL).
- The Commission approved the report of the UGC Expert Committee on the issue of allowing students to pursue two or more degrees simultaneously on regular/distance/private/online/part time basis.
- The final UGC (Minimum standard of Instructions for the Grant of the Masters Degree through Formal education (First Amendment) Regulations, 2013 were approved.
- Regarding the issue of grants to self financing colleges, it was decided that grants should not be given by the UGC to any self financing Institution, even though such institutions are included

under section 12B of the UGC Act, and reiterated its earlier decision of providing assistance to teacher centric and student centric schemes to all 12B institutions.

- The Commission considered the Amendment in the UGC “Mandatory Assessment and Accreditation” of all Higher Educational Institutions” Regulations, 2012 which was approved. However, the amendment should read as “‘Assessment and Accreditation Agency’ means any agency such as the National Assessment and Accreditation Council, the National Board of Accreditation, or the National Accreditation Board, or any agency recognized by the University Grants Commission, or any agency established by an Act of Parliament to carry out accreditation”.
- XII Plan Guidelines of Major & Minor Research Projects in Science & Humanities subjects, was approved. However, while approving the Guidelines, the Commission decided that Minor Research Projects should be restricted to colleges only.
- With regard to the XII Plan Guidelines for Universities with Potential for Excellence (UPE)/ Universities of Excellence (UE), the Commission approved the revision of the Guidelines for the XII plan with the following modifications: (a) The UPE, if declared eligible for the second phase, may be termed as “University of Excellence” from Phase II onwards (after 5 years of existence); (b) The ceiling of assistance for an UPE would be ₹60 crore in Phase I, ₹60 crore in Phase II and ₹100 crore in Phase III. The Commission also decided that State Private Universities and Deemed to be Universities covered under section 12B of the UGC Act may also be considered for grant of status of ‘University with Potential for Excellence’ and ‘University of Excellence’, provided they fulfill the various conditions under the Scheme; however, no financial assistance under the Scheme would be made available to them.
- The Commission accorded in-principle approval for setting up of the Inter-University Centre in Teacher Education, and decided to refer the matter to the Ministry.
- The Commission approved the implementation of Ministry’s scheme of Community Colleges with a cap of ₹ 1 crore per college, overall cap of ₹ 100 crore for the scheme, and review/ evaluation may be reported to the Commission. The MHRD may be requested to provide funds for implementing the scheme.
- The Commission approved the Incentives for resource mobilization scheme in universities during XIIth Plan, subject to availability of funds. However, the Commission suggested that the Financial Advisor, UGC and a representative of the Finance Division of MHRD may have meeting to discuss the operational part of the scheme.
- The Commission approved the Guidelines and Modules for the promotion of sports during the XII Plan and integration of high performance sports facilities in Universities and Colleges.
- The Commission approved the amendments in the Guidelines for Colleges with Potential for Excellence (CPE)/College of Excellence (CE) for XII Plan Period (2012-2017).
- The Commission deliberated at length on the UGC (Affiliation of colleges offering Technical Education by Universities) Regulations, 2014 and approved the Regulations, and decided to refer the Regulations to the MHRD for its approval.

- The Commission approved the inclusion of Urdu/Arabic/Persian degrees for specification under section 22 of the UGC Act, 1956.
- The Commission approved the University Grants Commission (Establishment of Standards, and Maintenance thereof, in Private Universities) Regulations, 2014 with the following modifications:
 - (i) The requirement of physical infrastructure to be followed by the Private Universities should be specified in the Regulations;
 - (ii) Permission granted earlier by the MHRD/UGC for setting up offshore campus should not be rescinded;
 - (iii) The Heading of Regulation 4 may be re-phrased as 'Maintenance of standards by Private Universities'
 - (iv) A sub-clause (ix) may be added to clause (a) to provide for compliance with provisions of RTI Act 2005.
 - (v) Regulation 8 (c) should be amended to provide that a Private University may commence its academic programmes only after undergoing the process of assessment laid down under the UGC Regulations on mandatory Accreditation.
- The Commission approved the relaxation of 5% (i.e. from 55% to 50%) in the qualifying marks to OBC (Other Backward Caste) candidates for direct recruitment to teaching positions as well as to undertake the NET examination held by the UGC.
- The Commission approved the Guidelines for introduction of Bachelor of Vocation (B.Voc.) programme in universities and colleges under the National Skills Qualifications Framework (NSQF).
- The Commission approved the UGC (Recognition and Monitoring of Assessment and Accreditation Agencies) Regulations, 2014, However, it was also decided that a Plan of Action be prepared for implementing the Regulations which may be placed before the Commission for information.
- The Commission approved the revised Guidelines for the UGC Chairs in Universities during the XII Plan (2012-2017).

The Commission approved the proposal with the following modifications:

 - (i) The consideration age may be modified to 55-70 years
 - (ii) Chairs may also be created under the names of Pandit Madan Mohan Malaviya and Sir Syed Ahmad Khan.
- The Commission approved the proposal to extend the status of the Institute of Integrated Himalayan Studies, Shimla, as Centre with Potential for Excellence in Particular Area (CPEPA) till March, 2017 and for financial assistance of ₹ 7 crores.

- The Commission approved re-implementing the PG scholarship in all Universities and Colleges for ME / M. Tech for GATE qualified candidates.
- As regards One-Year Moratorium on approval of fresh proposal for affiliation/increase in intake by Technical Colleges, the Commission resolved a moratorium for one year on:
 - a) affiliation of fresh colleges providing technical education, by universities; and
 - b) approval of increase in the intake of students in technical colleges.
- The Commission approved Grant of Raman Post Doctoral Fellowship to selected Teachers from institutions not under the ambit of 2(f) & 12B on a one time basis.
- The Commission approved the revision of the Guidelines for the XII plan "Colleges with Potential for Excellence (CPE) / Institutions of Excellence (IE)" with the following modifications : (a) The CPE, if declared eligible for the second phase, may be termed as "College of Excellence" from Phase II onwards (after 5 years of existence); (b) The ceiling of assistance for a CPE would be ₹1.5 crore in Phase I, ₹1.5 crore in Phase II and ₹2.0 crore in Phase III. The Commission also decided that self-financing colleges covered under sections 2(f) and 12B of the UGC Act may also be considered for grant of status of 'College with Potential for Excellence' and 'College of Excellence', provided they fulfill the various conditions under the Scheme; however, no financial assistance under the Scheme would be made available to them.
- The Commission was informed of the UGC Regulations of 2012 relating to statutory accreditation of Universities and higher educational institutions and the fact that several of such universities/institutions have not yet undertaken the process of mandatory accreditation. It was informed that while several universities/institutions were dependent on UGC funds for their day-to-day functioning, including for the salary of their employees, some of them have still to undergo the accreditation process mandated by the Regulations. The Commission deliberated on the matter and decided that in the interest of the survival and the day-to-day functioning of such universities/institutions, funds may continue to be disbursed to them. However, all such institutions should be directed to apply to the recognized accreditation agency latest by 1st June, 2014 and also inform that failure to do so may lead to discontinuation of financial assistance by the UGC from 1st April 2015 onwards. It was also decided that while this decision may be communicated to the universities/institutions concerned, the UGC may propose appropriate amendments to the aforementioned Regulations of 2012 by incorporating these decisions.
- The Commission approved the UGC (Institutions Deemed to be Universities) Regulations, 2010 with the following modifications :
 - (a) The proposed clause 5.10 should be read as : 'Notwithstanding anything contained in these Regulations, the governance system and management structure of a public funded Deemed to be University may be in accordance with the decision of the Central Government or the state Government, as the case may be.' instead of 'The provisions of clauses 5.1 to 5.9 shall apply to public funded deemed to be Universities in accordance with the decision of the Government, which may provide for alternate management structures.'

- The Commission decided to refer the UGC (Open and Distance Learning) Regulations, 2014, after incorporating the following modifications, to the Ministry of HRD for its approval: - The Regulations would not apply to Certificate programmes/courses; the Regulations would, however, apply to diploma programmes of a duration of nine months and above, and not six months as proposed; - Standalone institutions offering distance education programs shall be excluded from the purview of these Regulations.
- The Commission approved the roll-out plan, percentage caps of API cumulative score and modification in the tenure of College Principals in UGC (Minimum qualifications for appointment of teachers, other academic staff in universities and colleges and other measures for the maintenance of standards in higher education) Regulations, 2010 and its 2nd amendment with the following modifications :
 - (i) With regard to proposed amendment to the Second Amendment Regulations, 2013 on the subject of percentage Cap for API for promotion under CAS, the Commission approved that the requirement may be modified to the extent that the incumbent may choose either of the two options – a) adopt the existing percentage cap for API claim of each of the sub-categories in Category III (Research and Publications and Academic contribution) or b) adopt percentage API in any three of the five sub-categories with a cap of 35% in each sub-category when calculating the total API score for CAS. However, this option shall be available only up to the stage of Associate Professor.
 - (ii) With regard to the proposal for amending clause 5.1.6(d) of the UGC Regulations of 2010 relating to tenure of appointment of Principal of College, the Commission approved the proposal to extend the tenure, wherever applicable, of the Principal from 5 years to 10 years.
- The UGC had constituted the following Expert Committees to initiate a number of policy measures:

S.No.	Committee	Chairperson

The Commission has amended the UGC (Minimum Standards Of Instruction For The Grant of Masters Degree Through Formal Education) Regulations 2003 providing that Master Degree courses for which entry qualification is two bachelor's degree in succession, including one in the relevant discipline or an integrated degree of five years in the relevant discipline after plus two, the duration may be one year. The amendment in this regard is under publication.

Indigenous Languages

The Chairman, UGC constituted an Expert. Committee under the Chairpersonship of Dr. Kapila Vatsyayan to look into the issue of study and promotion of indigenous languages. The Committee prepared a Report containing the following.

1. Guidelines for establishing Centres in Central Universities.
2. Guidelines for establishing Centres in State Universities and.
3. Establishment of IUC for indigenous languages and Language Sciences.

The Commission in its meeting held on 17.12.2012 approved the first two recommendations and resolved that a Sub-Committee may be constituted under the Chairmanship of Prof. V.S. Chauhan to work on the recommendation for establishing an Inter University Centre (IUC).

The Committee inter-alia recommended establishment of an Inter-University Centre (IUC) for Promotion of Indigenous Languages and Language Sciences. The Commission constituted a sub-committee under the Chairmanship of Dr. V.S. Chauhan to work on the recommendation. The Sub-Committee recommended the creation of two Inter- University Centres. The committee recommended, in principle, the creation of a separate Inter-University Centre on Non-scheduled languages at Bhasha Research and Publications Centre and another IUC for Language Sciences

The recommendations were placed before the Commission in its meeting on 7.2.2014 and the commission decided as follows:-

"The Commission decided that possibilities be explored for strengthening Bhasha Research and Publication Centre by networking it either with M.S. University, Baroda or with the Indira Gandhi National Tribal University, Amarkantak".

Both the universities have sent the proposals and are under consideration of the commission.

Judgement of Supreme Court on AICTE

Consequent upon the Supreme Court Judgment on affiliation of College / Institute offering technical education, the Chairman, UGC has constituted a Committee under the Chairmanship of Prof M. Ananda Krishnan to frame regulations on the issue.

A sub committee under the chairmanship of Prof. Sanjay Dhande finalized the Regulations and the same was approved by the Ministry. The Regulations were notified in the Gazette.

The Notification on one year moratorium for affiliation of fresh colleges providing technical education by universities and approval of increase in the in-take of students in technical colleges was uploaded on the UGC website.

In pursuance of the Supreme Court Order in SLP(Civil) No.7277/2014 with regard to Regulation of technical education, the Commission decided that the UGC Regulations on Technical Education be kept on hold till the final decision of the Supreme Court is known.

National Higher Educational Qualification Framework (NHEQF)

Subsequent to the 61st CABE meeting which resolved that a Committee may be formulated for National Higher Educational Qualification Framework (NHEQF), the Chairman UGC has constituted a Committee under the Chairmanship of Prof. Goverdhan Mehta to give its recommendations on NHEQF. The Committee is yet to meet.

Norm Based Funding in Universities and Colleges

Ministry of Human Resource Development felt that the universities and other institutions should be funded on a normative basis and transparent, objective and verifiable set of norms should be evolved for funding institutions. Subsequently the Chairman, UGC constituted a committee under the Chairmanship of Prof. S.P. Thyagarajan, former V.C., Madras University to deliberate on the issue and make recommendations to UGC on the issue of norms based funding to institutions. The committee after several meetings submitted a Detailed Project Report (DPR) and also the guidelines for implementation of norms based funding during XII five year plan period. An optimal institutional cost of higher education per student per year has been evolved by the Committee for calculating the Plan grant to eligible university and college.

The Detailed Project Report and the Guidelines were placed before the Commission in its meeting held on 27.2.2014.

The Commission while giving in principle approval to the proposal decided that a Committee be constituted to study the feasibility and financial implications of the proposal and authorized the Chairman, UGC, to constitute the Committee.

Growth of Higher Education System: Some Statistics

The Commission is empowered under Section 12(h) and under Section 12(i) of the UGC Act, 1956 to collect information on all such matters relating to University education in India and other countries as it thinks fit, and to require a University to furnish it with such information as may be needed relating to the financial position of the University or the studies in the various branches of learning undertaken in that University, together with all the rules and regulations relating to the standards of teaching and examination in that University with respect to each of such branches of learning.

At the time of independence, there were only 20 universities and 500 colleges in the country with 2.1 lakh students in the higher education system. But, after independence, there has been a phenomenal growth in all these numbers. Now, it is a recorded fact that there is an increase of 37 times in the number of Degree awarding Universities/Institutes, 79 times increase in the number of colleges, and the students enrolment has gone up to over 113 times in the formal system of higher education as compared to the figures of Independent Year of India. The phenomenal increase in enrolment of this order would not have been possible without the growth in the number of institutions of higher learning, both universities and colleges in particular and increase in intake capacity of courses. The increase in numbers of institutions and enrolment indicate that the target of 30% Gross Enrolment Ratio (GER) set for the end of XII Plan (2017) will be achieved.

2.1 Institutions

At the end of XI Plan (31.03.2012), there were 573 Universities (43 Central, 129 Deemed and 397 State Universities and 4 Institutions established under Special State Legislature Acts) and 35,539 Colleges in the Country. During the year 2013-14 there were 666 Universities (45 Central, 129 Deemed, 313 State, 175 State Private and 4 Institutions under Special State Legislature Act) and 39671 Colleges, thus registering an increase of 16% in the number of Universities and 11.63% increase in colleges during the 2nd year of XII plan in comparison to the figures at the end of XI plan.

During 2013-2014, there were **666** universities and university level institutions - **313** State, **175** State Private, **45** Central, **129** Deemed universities and **four** institutions established under State Legislature Act. (**Appendix:I & II**). During the reporting year 2013-2014, **24** State Private Universities and **13** State Universities were included in the UGC list of universities and **4** universities were declared fit to receive central assistance under section 12B of the UGC Act, 1956.

Graph 2.1(b) : State-wise Number of Universities listed by UGC: 2013-14

So far as the number of Universities in States is concerned, Rajasthan (61) and Uttar Pradesh(59) top the list followed by Tamil Nadu (51), etc. and also one can observe from the **Table 2.1(b)**, that there is uneven establishment of Universities in States.

However, the increase in the number of Colleges is varied amongst States as observed from the **Table 2.1(c)**. Relatively speaking and in comparison to the absolute figures, the state of Madhya Pradesh accounted for the highest increase with 1286 colleges, followed by Uttar Pradesh (1276), Maharashtra (997), Andhra Pradesh (922), Karnataka (750) for the last 5 years. It is also observed that the growth in the number of colleges is almost minimal in all the States located in the North Eastern Region and a few of the Union Territories. The number of colleges as on 31.3.2014 stood at 39671.

As many as 2467 new colleges had been established during 2013-2014, thus taking the total number of colleges to 39,671 in 2013-2014 as against 37,204 colleges in 2012-2013, registering an increase of almost 6.63%.

Out of 237.65 lakhs, 105.52 lakhs are women students, constituting 44.40 percent. The comparative trend of total students enrolment and enrolment of women students, among states, during 2013-14 is indicated in **Table 2.2(b)**. The enrolment of students, in terms of absolute numbers, had been the highest in the state of Uttar Pradesh (37.72 lakhs), followed by Maharashtra (26.87 lakhs), Andhra Pradesh (22.02 lakhs), Tamil Nadu (21.85 lakhs), etc.

2.2(c) Level-wise Students Enrolment

The enrolment position in the academic year 2013-14 reveals that majority of students in the higher education system had been enrolled for a variety of courses at the under-graduate level. The students at this level constitute provisionally 85.12% of the total number of students in colleges and universities put together. The percentage of students enrolled for Master's level courses (PG) had been 12.35% while a very small proportion i.e. 0.85% of the total number of students has enrolled for research. Similarly, only 1.68% of the total number of students has enrolled in diploma/certificate courses.

As regards the distribution of students enrolment between universities and affiliated colleges, the largest number of students in the higher education system is enrolled in affiliated colleges. About 89.49% of all the under-graduate students and 78.61% of all the post-graduate students have enrolled in the affiliated colleges, while the remaining is in the universities and their constituent colleges. In contrast, 78.16% of the total research students had been in the universities. However, the fact that majority of the total number of students are enrolled in the affiliated colleges where the foundations of higher education are being laid, demands focus and greater financing to the college sector particularly with reference to promotion of relevance, access and equity, quality and excellence, etc. **Table 2.2(c).**

2.2(d) Faculty-wise Students' Enrolment

The distribution of students, across various faculties, during the academic year 2013-14 was as under:

Out of the total enrolment of students (237.65 lakhs), 36.57% students had been in the faculty of Arts, followed by 17.23% in Science and 17.60% in Commerce/ Management. Thus, 71% of the total enrolment had been in the three faculties of Arts, Sciences and Commerce / Management while the remaining 29% had been in the professional faculties recording the highest percentage in Engineering./Technology (15.55%), followed by Education(Teacher Training) (5.42%) and Medical courses (4.18%), etc. . In a country like India, where Agriculture and allied occupations are the main occupations, the enrolment in Agricultural Courses had been just 0.45 percent and in Veterinary Science, it is a miniscule 0.12 percent. Thus, it is evident from the faculty-wise distribution of enrolment that the ratio of professional to non-professional enrolment has been almost 1:3 and hence there is a need for an appropriate policy change which may rationalize and reduce the disparity and increase the need to focus on vocationalisation of education.

2.4 Research Degrees

The number of research degrees (Ph.Ds) awarded by various universities increased from 19,861 in 2011-2012 to 20275 in 2012-2013 thus registering an increase of 2.08%. Out of the total number of Ph.Ds awarded in 2012-2013, the Faculty of Science had the highest number with 6641degrees, followed by the faculty of Arts with 6298 degrees. These two faculties together accounted for 63.82 per cent of the total number of Ph.D. degrees awarded. 1585 degrees were awarded in the faculty of Commerce/Management. In professional faculties, the faculty of Engineering & Technology had topped with as many as 2119 Ph.D. degrees, other faculties with 839 degrees, followed by Education faculty with 813 degrees, Medicine faculty with 756 degrees, Agriculture faculty with 738 degrees, etc. It is observed that there is a slight increasing trend in academic research in terms of number of research degrees awarded by the Universities during 2012-2013 (**Table 2.4(a)**) as compared to the figures for the year 2011-2012 as compared to the total enrolment for the year 2011-2012.

2.5 Growth in Enrolment of Women in Higher Education

There had been a phenomenal growth in the number of women students enrolled in higher education, since independence. The women enrolment which was less than 10 per cent of the total enrolment on the eve of Independence had risen to 44.40 per cent in the academic year 2013-2014.

The pace of growth has been particularly faster in the last two decades. As the data in **Table 2.5(a)** show, the number of women enrolled per hundred men registered more than five times in 2013-2014 as compared to 1950-1951.

2.6 Distribution of Women Enrolment by State and Faculty

(a) State-wise Distribution of Women Enrolment

During 2013-14, distribution of women enrolment by state shows that the percentage increase has been almost minimal in the enrolment of women as compared to the total enrolment in all the states over the preceding year. Among the states and UTs, Daman and Diu had the highest percentage (68.55%), followed by Goa with 60.23% in terms of women enrolment as a percentage of total enrolment of the state. There are 22 states/UTs which had higher enrolment of women than the national percentage of 44.40%. In the rest of the states, the percentage of women enrolled had been less than the national average, with Arunachal Pradesh recording the lowest women enrolment of 36.82% only. In absolute numbers, Uttar Pradesh State had been on the top in enrolling women students (16.77 lakhs), followed by Maharashtra (12.54 lakhs) and Tamil Nadu (11.12 lakhs), etc. **Table 2.2(b)**.

(b) Distribution of Women Enrolment by Faculty

The faculty-wise distribution of women enrolment in higher education during 2013-2014 had been as under **Table 2.6(a)**.

The professional faculty constitutes 20.56% of total women enrolment.

2.7 Women Colleges

From the following Table 2.7, one can find as many as 240 women colleges have so far been established during two years of the XII Plan as compared to the figure at the end of XI Plan (4266). As on 31.03.2014, there was 4506 colleges exclusively for women.

3 Development (Plan) and Maintenance (Non-Plan) Assistance to Universities

3.1 Assistance to Universities

The University Grants Commission has been providing grants to Central and Deemed to be Universities, both under Plan (Development) and Non-Plan (Maintenance) Schemes/ Programmes while assistance to State Universities is being made available only under Plan (Development) Schemes/Programmes. General Plan Development Grant to Universities is being made available during XII Plan on the basis of the outlays determined and communicated to the Universities. The outlays shall be in operation for the period from 1st April, 2012 to 31st March, 2017.

Under the General Plan Development Assistance, the UGC assists each eligible University for the overall development covering different aspects namely, enhancing access, ensuring equity, imparting relevant education, improving quality and excellence, making their University administration more effective, providing more Faculty Improvement Programmes, enhancing facilities for students, augmenting research facilities and other plans of the University.

In order to fulfill these objectives, the financial assistance to meet the requirements of the University in terms of infrastructure, staff, equipment, books & journals, library etc. can be provided by the UGC under the General Plan Development Grant during XII Plan period.

3.1(a). Central Universities

University Grants Commission (UGC) provides both Development (Plan) and Maintenance (Non-Plan) assistance to Central Universities under various schemes/programmes.

At present, there are 45 Central Universities out of which 6 Universities namely (i) Central Agricultural University, Imphal, Manipur (ii) Indira Gandhi National Open University, New Delhi (iii) Indian Maritime University, Chennai (iv) South Asian University, New Delhi (v) Nalanda University, Bihar and (vi) Rajiv Gandhi National Aviation University, Uttar Pradesh are not funded by the UGC. Therefore, 39 Central Universities are being provided Plan (Development Grant) and grants under other specific schemes of the UGC. 24 Old Central Universities including 3 newly converted Central Universities and 1 Medical College are receiving Maintenance Grant from the UGC. Plan Grant

I. General Development Grant

Plan grant is given for the development of 39 Central Universities including Medical Colleges and the Hospitals attached to them. The objective of development assistance is not only to improve and consolidate the existing infrastructure in the university but also to develop excellence in certain identified areas. During the XII Plan, General Development Assistance to universities is being provided in the form of Plan Block Grant. For universities, it will include construction/renovation of building (including renovation of heritage buildings), campus development, staff, books & journals, laboratory, equipment and infrastructure, annual maintenance contracts, innovative research activities, university industry linkages, extension activities, cultural activities, development of ICT, health care, student amenities including hostels, Non-NET Fellowships to students, Travel Grant, grant for Conferences / Seminars / Symposia / Workshops, Publication Grant, Appointment of Visiting Professor / Visiting Fellow, Establishment of Career & Counselling Cell, Day Care Centres, basic facilities for women and Faculty Development Programme, etc.

The concept of Merged Schemes introduced during the XI Plan has been done away with and no separate grant under the Merged Schemes is being provided during the XII Plan.

The following schemes which were earlier part of the Merged Schemes are now implemented independently by a dedicated cell of UGC and separate grant is provided by the UGC under these schemes.

- (i) Equal Opportunity Cell
- (ii) Remedial Coaching for SC/ST/OBC (non-creamy layer) and minority community students

- (iii) Coaching for NET for SC/ST/OBC (non-creamy layer) and minority community students
- (iv) Coaching Classes for entry into services for SC/ST/OBC (non-creamy layer) and minority students.
- (v) Scheme for persons with disabilities.

Internal Quality Assurance Cell and construction of Women Hostel are also being implemented as independent schemes in all Central Universities.

The scheme called ENCORE which was initiated during XI Plan is now a part of XII Plan General Development Assistance. No separate funding will be provided for this scheme.

The UGC has also provided funds for the following purposes :

Implementation of Sachar Committee

J Justice Sachar Committee Report has made several recommendations regarding the Education Sector. To formulate a Plan of Action on the findings of the Report, a High Level Committee was constituted by MHRD under the Chairmanship of Shri Mohd. A.A.Fatmi Committee, Minister of State, School Education and Literacy. The Fatmi Committee Report has been accepted by the Hon'ble HRM for implementation of the recommendations contained therein.

As regards Central Universities, namely, Aligarh Muslim University and Maulana Azad National Urdu University, Hyderabad, the Fatmi Committee has made certain specific recommendations.

During the year 2013-2014, the UGC has released an amount of **₹20.00 crores** for implementation of the recommendations of the Sachar Committee.

Scheme for Residential Coaching Academies for Minorities / SC / ST and Women

As the scheme of UGC for remedial coaching and entry into services has not created the desired impact, 'Residential Coaching Academies' for Minorities/SCs/STs and Women were set up at Aligarh Muslim University, Maulana Azad National Urdu University, Jamia Hamdard, Babasaheb Bhimrao Ambedkar University, Lucknow and Jamia Millia Islamia.

The objective of the Residential Academy for Minorities/ SC/ST and Women is to provide equal opportunities to all sections of society for equitable growth which entails affirmative action for Minorities, SC/STs and women by providing Coaching programmes to the students, Hostel facilities with free of cost/nominal fee, without tuition fee of the above category for entry into Central/State Government, private sector jobs and entry into IITs/Medical colleges.

The financial assistance for setting up Residential Coaching Academies under this scheme during 2013-2014 is given as under:-

META UNIVERSITY CONCEPT

During the XII Plan, the UGC initiated a concept of Meta University: The main purpose of the Meta University is to share learning resources by different Universities by using latest technologies available in order to enable

students to benefit from learning resources available in different institutions. Meta Universities represent 2nd Generation Universities, free from physical boundary conditions and able to operate in virtual space, taking advantage of the innovation and flexibility possible in such domains.

The University of Delhi and Jamia Millia Islamia have started a course on “Master’s of Mathematics Education” under the Meta University concept. An amount of ₹66.66 lakh was released to University of Delhi and ₹59.50 lakh to Jamia Millia Islamia during 2013-2014 under the Scheme.

MOBILISING EXTERNAL SOURCES OF FUNDING

In order to revive our tradition to support higher education, and to encourage the participation of society in the development of universities, the UGC initiated the scheme during XI Plan entitled “Incentives for External Resource Mobilization”. This scheme is also continued during the XII Plan.

The contribution of the UGC will be upto the extent of 25 per cent of the contribution received by the University for a particular year, subject to a maximum of ₹50.00 lakh per annum.

Benefits of the scheme availed by Central Universities during the XI and the XII Plan are as under:-

S.No.	Name of University	Amount (₹ In lakhs)		
		XI Plan	XII Plan	Total
1.	University of Hyderabad	225.00	50.00	275.00

₹ 100 CRORE EACH TO ALIGARH MUSLIM UNIVERSITY AND BANARAS HINDU UNIVERSITY FOR ONE TIME ADDITIONAL GRANT FOR INFRASTRUCTURE DEVELOPMENT

The Govt. of India allocated ₹100 crores each to AMU and BHU as additional fund for their Medical Colleges under recurring as well as non-recurring heads. An amount of ₹50 crores each was released to AMU and BHU during 2013-2014 under the scheme.

CAPACITY EXPANSION TO PROVIDE RESERVATION FOR OBCs IN ADMISSIONS

The Central Educational Institutions (Reservation in Admission) Act, 2006, envisaging reservation of 27% of the annual permitted strength in each branch of study or faculty for the OBCs (excluding the “creamy layer”), apart from 15% for the SCs and 7.5% for the STs, in Central Educational Institutions (CEIs) established, maintained or aided by the Central Government, other than those exempted under the Act, requires them to increase the annual permitted capacity for the academic session 2006-07 by 54% over a maximum period of 3 years commencing from the academic session 2008-09, with a view to ensuring that the number of unreserved seats available to the OBCs as also to the SCs and the STs for each academic session are commensurate with the increase in the permitted capacity for that session.

A grant of ₹247.47 crores (₹215 crores for University of Delhi, ₹12.50 crores for UCMS and ₹16.69 crores for Visva Bharati) was released to Central Universities during 2013-2014 for implementation of OBC reservation policy.

STRENGTHENING/SETTING UP OF SCHOOLS OF EDUCATION IN CENTRAL UNIVERSITIES

The UGC has been impressing upon the Central Universities and other Universities to establish Department of Education and conduct programmes for preparation of school teachers and Teacher Educators. In the wake of the Right to Education Act, 2009 and the various recommendations contained in the report of Justice Verma Commission on Teacher Education (2012), the Government of India requested the UGC to take urgent steps for expanding institutional support of teacher education in the University system and also to bring various qualitative improvements thereof. One such aspect in entailing such initiative was to establish School of Education in Central Universities of the country. With this objective, the UGC sent a communication to all the Central Universities for establishing Schools of Education within them and take various activities relating to teacher education other than pre-service teacher education. These included curriculum research, policy and educational development, learning and pedagogic studies, assessment and evaluation, professional development of teacher educators, etc. A related issue on which Central Universities were requested to work was for reforming the curricula of the various teacher education programmes in the light of the recommendations of the National Curriculum Framework on Teacher Education (NCFTE), 2009.

The UGC has sanctioned for expansion and strengthening of teacher education in 19 Central Universities for which approval was given for various teaching and non-teaching posts and during XII Plan an amount of ₹110.00 crores was also sanctioned to these Central Universities, out of which an amount of ₹35.00 crores was released during 2013-2014. The UGC has also invigorated the initiative for reforms in the curricula of the teacher education courses, requesting academic staff colleges to provide refresher and orientation training programmes for teacher educators, to strengthen post-graduate programmes in the teacher education departments and to run integrated teacher education programmes.

As a result of the above efforts, at present 36 Central Universities have Schools/Departments of Education offering various pre-service and other teacher education programmes and they have also intensified their efforts for providing other related programmes of teacher education.

Accordingly, the UGC has conveyed its approval to all Central Universities to start the School of Education with the approval of their statutory Bodies and academic activities from the academic session 2013-2014 as per NCTE norms.

The UGC has released the funds to following Central Universities for establishment of School of Education during 2013-2014 as per details below:-

During the year 2013-2014, the UGC provided one time additional grant of an amount of ₹482.14 lakhs to Aligarh Muslim University for ABK High school and an amount of ₹2690.00 lakhs to Babasaheb Bhimrao Ambedkar University for infrastructure development.

ESTABLISHMENT OF CENTRES FOR ENDANGERED LANGUAGES

During the XII Plan, the UGC has decided to initiate establishment of the Centres for Indigenous Languages in Central Universities for preservation and promotion of endangered Languages. The UGC constituted an Expert Committee to prepare a report and finalise the guidelines for the Scheme. The Commission in its meeting held on 17.12.2012 approved the report of the Expert Committee of the said scheme.

The UGC has conveyed its approval for Establishment of Centre for Endangered Languages to the following 9 Central Universities :-

1. Tezpur University, Assam
2. Rajiv Gandhi University, Arunachal Pradesh
3. Sikkim University, Sikkim
4. Indira Gandhi National Tribal University, M.P.
5. Central University of Jharkhand, Jharkhand.
6. Guru Ghasidas Viswavidyalaya, Chhattisgarh
7. Central University of Karnataka, Karnataka
8. Central University of Kerala, Kerala
9. Visva Bharati, West Bengal

MANDATORY ACCREDITATION BY NAAC OF EACH CENTRAL UNIVERSITY

Assessment and accreditation in the higher education, through a transparent and informed external review process, are the effective means of quality assurance in higher education to provide a common frame of reference for students and others to obtain credible information on academic quality across institutions, thereby assisting student mobility across institutions, domestic as well as international.

Assessment is undertaken prior to the commencement of academic programmes in an Institution. Accreditation is undertaken after an institution attains certain years of existence (6 years)/ passing out of specified number of batches (two batches), whichever is earlier.

The UGC has also decided that no Higher Educational Institution or its Faculties, Schools, Departments, Centres or any other units therein, by whatever name called, **shall be eligible for applying or receiving financial assistance from the Commission from 1st April, 2015 onwards, under any of its schemes without having undergone assessment and accreditation on or before 1st June, 2014.**

Out of 39 Central Universities, **8 Central Universities** have obtained the NAAC accreditation. **10 Central Universities** had obtained the accreditation earlier, but the accreditation period is over, and **8 Central Universities** out of these 10 CUs have applied for reaccreditation (remaining 2 Central Universities, viz. HNB Garhwal and University of Allahabad are yet to apply for reaccreditation). **1 eligible Central University (IGNTU)** has not applied for NAAC accreditation so far. **11 Central Universities** are not eligible for NAAC accreditation. **9 Central Universities** have applied for the first time for accreditation.

SINGLE ACT OF CENTRAL UNIVERSITIES

The Government of India, MHRD constituted a Committee to prepare a Draft Bill for administration of all the Central Universities keeping in view the recommendations of Madhav Menon Committee on autonomy of Central Education Institutions including Central Universities and such other relevant Committees. The Committee will was to that the uniqueness and diversity of every university is protected through enabling provisions. The Committee submitted its report in December, 2013. The report of the Committee is under consideration of Government of India.

CONFERENCE OF VICE-CHANCELLORS OF CENTRAL UNIVERSITIES

The Conference of Vice-Chancellors of Central Universities with the Hon'ble HRM at Vigyan Bhawan was held on 19th July, 2013. * 3 Deemed to be Universities were eligible to receive One Time Special Assistance during the XI Plan period. Plan allocation has been decided for XII Plan period only.

**The UGC had not decided XI Plan Allocation to the above six Deemed to be Universities as Moderation Committee has noted that some of the DUs are getting Plan Grant from the UGC and are offering self-financing courses. However some ad-hoc grant was sanctioned to them during the XI Plan period. The Commission has constituted a Committee to develop a clear policy for funding of Deemed to be Universities. XII Plan Allocation has also not been made to these six DUs. The Committee has decided that the XII Plan Allocation to these six Deemed to be Universities which are running self financing courses should be decided when they fulfil three conditions, viz acquiring 12B status, NAAC accreditation and MoA to be revised as per Regulations, 2010.

+ + The Commission in its meeting held on 22.12.2011 and 13.02.2012 has decided not to sanction General Development Grant to DUs coming under category "C" of Tandon Committee.

NON PLAN GRANT (MAINTENANCE GRANT)

The UGC is providing Non-Plan grants to **10** Deemed Universities. Out of the **10** Deemed Universities, **8** Deemed Universities are receiving 100% Non-Plan grant towards salaries and allowances, retirement benefits and non-salary. The components under non-salary are: consumables, electricity charges, water charges, property tax, house tax, contingencies, maintenance/repairs of buildings and other expenses. Budget Estimates / Revised Budget Estimates of the 8 Deemed to be Universities are decided on the basis of discussion with the Registrar and the Finance Officer.

Development (Plan) and Maintenance (Non-Plan) Assistance to Colleges

4.1 Thrust of Twelfth Plan for the Development of Colleges

Development of Colleges, which are responsible in a major way for undergraduate education and to a great extent even for postgraduate education, is an important factor in Indian higher education from the point of view of maintenance of proper standards, ensuring optimum utilization of facilities, promoting innovation and change, linking education to emerging career patterns, access, equalization of educational opportunities for the weaker sections of society, particularly the Scheduled Castes/Scheduled Tribes and those belonging to the educationally backward areas. The focus of development assistance to the colleges is on supporting the teaching-learning process by upgrading basic infrastructure like library, laboratory, connectivity, etc. However, the emphasis is on the expansion and consolidation of facilities in the existing institutions, improvement of standards through modernization, rationalization and diversification of under-graduate courses especially to relate them to career opportunities.

The XII Plan lays special emphasis, among others, on increasing the Gross Enrolment Ratio (GER) from 15 % to 30%. For this, colleges have to play a very crucial role by expanding enrolment significantly, not losing sight of quality control and consolidation.

4.2 Colleges Recognized by UGC for Financial Assistance

As on 31st March, 2014, there are nearly 39,671 Colleges in the country. Out of them, only 9360 Colleges are recognized by the UGC under Section 2(f) of the UGC Act, 1956. Out of the 9360 recognized Colleges, 7815 Colleges are eligible to receive central assistance under Section 12 B of the UGC Act, 1956.

4.3 Grants to Colleges by the UGC Regional Offices

The UGC decentralized its functioning by opening seven Regional Offices in the country since 1994, in a phased manner, for easy access and speedy release of grants and implementation of various schemes/programmes relating to colleges. Later on, one of the UGC Regional Offices, viz. Northern Regional Office (NRO), Ghaziabad was converted into "Northern Region Colleges Bureau " and shifted from Ghaziabad to Delhi at 35 Ferozeshah Road, New Delhi w.e.f. 25.09.2001. The list of UGC Regional Offices/Bureau with details like name, location, date of establishment and coverage of States is given below:

S. No.	Regional Offices	Location	Date of Establishment	State/Union Territories covered
1.	South Eastern Regional Office (SERO)	Hyderabad	28.09.1994	Andhara Pradesh, Tamil Nadu, Andman& Nicobar, Pondicherry
2.	Western Regional Office (WRO)	Pune	11.11.1994	Maharashtra, Gujarat, Goa, Dadar & Nagar Haveli, Daman & Diu
3.	Central Regional Office (CRO)	Bhopal	01.12.1994	Madhya Pradesh, Rajasthan, Chattisgarh
4.	North-Eastern Regional Office (NERO)	Guwahati	01.04.1995	Assam, Meghlaya, Mizoram, Manipur, Tripura, Arunachal Pradesh, Nagaland, Sikkim.

7.	Northern Regional College Bureau (NRCB)	Ghaziabad New Delhi	03.12.1994 25.09.2001	J&K, H.P., Punjab, Chandigarh, Haryana, U.P., Uttrakhand

Schemes implemented for colleges during 2013-14(XII Plan)

Grants to the eligible Colleges all over the country are disbursed by these Regional Offices/Bureau under the following schemes/programmes as per the relevant guidelines:-

1. General Development Assistance to Colleges
2. Construction of Women's Hostel for Colleges
3. Autonomous Colleges (Release of Grants only)
4. Minor Research Project for Colleges (Minor Research Projects for College Teachers-Humanities Social Sciences and Sciences).
5. Seminars/Symposia/Conferences by Colleges
6. Faculty Development Programmes for Colleges (Award of Teacher Fellowships to college teachers for doing M.Phil / Ph.D).
7. Internal Quality Assurance Cell for Colleges

Eligibility Criteria:

The UGC provides grant to the eligible colleges which are recognized under section 2(f) and 12B of the UGC Act, 1956 for the above mentioned schemes. The Self Financing Colleges having 12 B Status are eligible only for Teacher/ Student centric schemes.

4.4 Scheme-wise Release of Grants by the UGC Regional Offices/ Bureau

4.4(a) Twelfth Plan College Development Scheme

The UGC provides assistance to colleges which are recognized under section 2(f) and 12B of the UGC Act, 1956 for the development of Undergraduate/Postgraduate Colleges which fulfil the eligibility conditions as prescribed in the XII Plan guidelines. Under the scheme financial assistance is provided to the colleges for strengthening basic infrastructure and meet their basic needs like books and journals (including Book Banks), scientific equipment, campus development, teaching aids which are needed for proper instruction, extension/renovation of existing buildings and construction of new buildings, extension activities, sports facilities for women, etc.

The state-wise (Table-4.4(a)(i)) and RO-wise (Table-4.4(a)(ii)) details of grants released to the colleges during 2013-14, XII Plan (01.04.2012 to 31.03.2014) and also during the XI Plan under General Development Assistance are as given below:-

4.4(b) Construction of Women's Hostels

With a view to providing hostels and other infrastructure facilities in the colleges to achieve the goal of enhancing the enrolment of women, the Commission had introduced a special scheme for the Construction of Women's Hostels during the year 1995-96. The Colleges which come within the purview of the UGC and are fit to receive central assistance under Section 12B of the UGC Act, are eligible to receive financial assistance under this scheme.

The financial assistance from the UGC under the scheme is on 100% basis subject to the ceiling given below:

Women Enrolment (Average of three academic sessions ⁺)	Amount (₹ in lakhs)	Amount (₹ In Lakhs) in respect of metropolitan cities* Jammu & Kashmir, North Eastern Region and Sikkim
Upto 250	40.00	80.00
251-500	60.00	100.00
More than 500	80.00	120.00

⁺ Current session', when the proposal is submitted and two sessions preceding the same.

* Those cities which are declared metropolitan by Govt. of India (Delhi, Mumbai, Bengaluru, Hyderabad, Chennai and Kolkata).

Expenditure over and above the UGC allocation/ceiling is to be met by the institutions from their own resources, for which clear indication and assurance is to be provided by the institution concerned. The UGC does not provide any escalation cost over and above the allocation/ceiling under the XII Plan guidelines.

The position of grants paid under the scheme of Construction of Women's Hostel by the Regional Offices/Bureau during 2013-14 and the XI Plan are as under:

4.4(g) Internal Quality Assurance Cell for Colleges

To monitor standards of the higher educational institutions the UGC has established the National Assessment and Accreditation Council (NAAC) as an autonomous body, under Section 12(ccc) of its Act, in September 1994. Recognizing the importance of such institutional internal quality system the UGC has taken a policy decision to direct all colleges to establish Internal Quality Assurance Cell (IQAC) for which it has decided to provide ₹3.00 lakhs as seed money to each college to meet the establishment and strengthening expenditure of IQAC. **The scheme was introduced for colleges during 2013-14 (XII Plan).**

All Colleges which are under section 2(f) and 12B of UGC Act will be eligible to receive the financial support for establishing and strengthening of the IQACs in them. It shall be mandatory for every college to get accredited by the Accreditation Agency, after passing out of two batches or six years, whichever is earlier.

The expenditure can be incurred on following items:-

No.	Purpose of grant	(₹)
1.	Honorarium to the Director/Coordinator, IQAC @ ₹ 1000x12x5	60,000
2.	Office Equipment	60,000

4.5 Grants to Delhi Colleges and Constituent Colleges of Banaras Hindu University

DC Section provides financial assistance to 53 Colleges affiliated to Delhi University and 4 Colleges of BHU under Non-Plan and 64 Colleges of Delhi University under Plan (53 Colleges + 11 Colleges of Delhi Administration). List enclosed at **Appendix-III**.

Non-Plan Grants

Out of the 53 Colleges, the UGC provides 95% maintenance grant to 37 Colleges and 100% to 16 Colleges (8 Evening Colleges + 8 University Maintained Colleges). Out of these 37 Colleges, 16 Colleges get 5% management share of maintenance grant from Delhi Administration and 21 Colleges get from their respective Trusts/Society.

A College is designated as an "Extended College" if its enrolment exceeds 1500 and will be paid on 100% basis. However, upto 1000 enrolment the College will be paid on 95% basis depending on the category to which it belongs. Beyond 1000 enrolment, 100% maintenance grant would be paid, irrespective of the category to which a College belongs to Trust/Delhi Administration.

These 53 Delhi Colleges meet both salary and non-salary expenditure out of the Maintenance Grants received from UGC. To determine the budget of each College, annual meetings are held with the Principals of the Colleges.

The UGC also provides maintenance grants to 4 Colleges admitted to the privilege of Banaras Hindu University under Non-Plan scheme as under:-

- 95% grants funded by UGC;
- 5% grants from the management of the College.

List of the four Colleges of BHU which are getting financial assistance under Non-Plan is also given in **Appendix-III**.

Details of grants provided to Delhi Colleges and BHU Colleges under Non-Plan during 2013-14 are given below:

(₹ in Lakhs)

Particulars	Allocation	Grant released
Delhi Colleges	117889.91	117889.91
BHU Colleges	2956.89	2956.89

Plan Grants

The UGC provides financial assistance to 64 Delhi Colleges towards General Development, Women Hostels & Sports Infrastructure.

During the year 2013-14, the UGC released grants to Colleges affiliated to University of Delhi under the following schemes:-

Quality and Excellence

The University Grants Commission in pursuit of excellence in teaching and research in the Institutions of higher education has been providing substantial support to selected universities and colleges through various schemes like **University with Potential for Excellence (UPE)**, **College with Potential for Excellence (CPE)** and **Centre with Potential for Excellence In PARTICULAR AREA (CPEPA)** with a view to enabling them to reach the world class level and serve as benchmark for other institutions in the country. The UGC has introduced these schemes during the IX plan period which are still continued during the X, the XI & the XII Plan period. The main objectives of these schemes are:

- To strengthen the academic and physical infrastructure for achieving excellence in teaching, research and outreach programmes;
- To promote flexible and effective governance;
- To enhance the quality of the learning and teaching process at the undergraduate and postgraduate levels with the help of a flexible credit based modular system, and the whole range of innovations currently accepted globally;
- To promote academic programmes relevant to the socio-economic needs of the nation;
- To improve undergraduate education in colleges by the interfacing of the PG programmes;
- To promote networking with other Centres/Departments and laboratories in the country;
- To achieve excellence in education, training and research to face the challenge of globalization.

5.1 Universities with Potential for Excellence

Under the UPE Scheme so far 15 universities have been selected and 10 more universities are to be selected during the XII Plan period. Also 3 such universities which have completed their first/ second phase of Universities with Potential for Excellence will be considered for up gradation to **University of Excellence (UoE)** status for their outstanding performance/achievements.

Monitoring of UPE Scheme:

Under the Scheme, a Monitoring Committee visits regularly each of the UPE universities to monitor the progress of work done during the previous year(s). At the end of the five-year period, an Expert Evaluation Committee evaluates the progress of work done, followed by a visit of the Monitoring Committee.

The details of 15 (fifteen) UPE Universities and grants paid to them so far are as given below:-

During 2013-14, an amount of ₹57.85crore was released under the “University with Potential for Excellence” (UPE) Scheme.

5.2 Colleges with Potential for Excellence (CPE)

The UGC has introduced the CPE Scheme during the **X Plan**. Under this scheme, the colleges are financially supported to improve their academic infrastructure, adopt innovations in teaching, learning and evaluation and to introduce a flexible approach in the selection of courses at the degree level. A CPE college acts as a role model for other colleges in their area of operation. The objective of the scheme is to help selected colleges to achieve excellence mainly in teaching activity and initiate a research culture in such colleges.

During the year 2013-14, 155 colleges have been reviewed by the Expert (Monitoring) Committee in the UGC office. An amount of ₹46,87,00,000/- was released to 96 colleges under this scheme.

Out of 284 colleges at present, 211 colleges are enjoying the CPE status and 10 colleges are enjoying the College of Excellence (CE) status.

5.3 Centre with Potential for Excellence in a Particular Area (CPEPA)

In order to provide quality and excellence in selected Universities in India, the Commission had introduced a scheme entitled “University with Potential for Excellence” (UPE). During IX Plan period, five Universities, viz Madras, JNU, Hyderabad, Jadavpur and Pune University were selected.

The Commission further decided to select some more Universities to award the UPE status during the **IX Plan**. Accordingly, in phase-II of selection during the IX Plan, 12 more Universities were identified by the Expert Committee under UPE scheme. While considering the recommendations of the Expert Committee the Commission at its meeting held on **25th July, 2002** decided that they may **not** be awarded UPE status. Instead, they may be called as **“Centres with Potential for Excellence in a Particular Area”(CPEPA)**. Only 12 Universities were approved under the above scheme and the grants (as one time grant) were released during the beginning of the X Plan. During the XI Plan 12 more Centres were selected under the CPEPA Scheme. Now the XII Plan guidelines have been revised.

The details of the Centres are as under:

Out of the 24 Centres, listed above, 21 Centres are functional as on date.

5.4 Establishment of New Centres/Institutes

Keeping in view the changing economic scenario in terms of liberalization, globalization and greater demand for quality products from Higher Education System to meet the newly emerging needs, the Commission, during the year 2001, had introduced a New Scheme viz., "Establishment of new Centres / Institutes of Excellence" in studies and research in various inter-disciplinary areas in Sciences and Humanities within the University system.

At present only 3 centers are running i.e. Jawaharlal Nehru University, New Delhi, University of Pune, Pune and Guru Nanak Dev University, Amritsar.

5.5 Special Assistance Programme (SAP)

The SAP scheme was initiated in 1963 by University Grants Commission keeping in view the recommendations of the Education Commission to facilitate the selected University departments having some potential in research and teaching. The programme is intended to encourage the pursuit of excellence and teamwork in advanced teaching and research to accelerate the realization of international standards in specific fields. The first such programme was initially started as the "Centre of Advanced Study (CAS)" in 1963. Some of these Centres also received recognition and financial support from UNDP/UNESCO. The "Department of Special Assistance (DSA)" and "Departmental Research Support (DRS)" programmes were started in the Departments during 1972 and 1977 respectively to create feeder departments for CAS.

5.6 Innovative Programmes - Teaching and Research in Emerging & Inter-disciplinary Areas

Keeping in view the need for training and to promote specialized courses at UG and PG levels including one year PG Diploma after Post-Graduation in Interdisciplinary and Emerging Areas, and to accommodate brilliant ideas and innovative proposals to influence teaching, research, academic excellence, societal growth and relevant activities in various disciplines which meet educational, national and global priorities and to promote group / departmental research work in Universities and Colleges, the UGC is implementing the scheme of Teaching and Research in Interdisciplinary and Emerging Areas.

The details of Departments approved, Allocation & Grant paid during the XIIth Plan (2013-2014) are as under:-

(₹ in Lakh)

S. No.	Name of the Scheme	Year	Allocation (₹ in lacs)	Physical target achieved			Expenditure during the financial year 2013-14 (₹ in lacs)

Note :- As per the decision taken by the Commission in its 443 meeting dated 11th & 12th Feb, 2008 the ASIHSS programme got merged with the SAP Programme. Only ongoing departments have been assisted under the XIth Plan.

As per the Commission's decision dated 10.05.20013 the scheme of Innovative programmes has been discontinued during the XII plan with immediate effect.

5.7 Autonomous Colleges

The Education Commission, 1964-66, pointed out that the exercise of academic freedom by teachers is a crucial requirement to the development of the intellectual climate of our country. Unless such a climate prevails, it is difficult to achieve excellence in our higher education system. As students, teachers and management are co-partners in raising the quality of higher education, it is imperative that they share a major responsibility and hence the Education Commission (1964-66) recommended Autonomy to the colleges. College autonomy, in essence, is the instrument for promoting academic excellence.

The MHRD/Ministry of Defence/UGC conducted a workshop during March 2013 for introduction of NCC as an elective subject with credit points in selected educational institutions (Autonomous Colleges) from the academic year 2013-2014.

Enhancement of Financial Support to Autonomous Colleges for introduction of NCC as an elective subject with credit points from the academic year 2013-2014.

Sl. No.	Nature of Institution	Amount of grant (₹ in lakhs)	Additional grant (₹ in lakhs) for introduction of NCC as an elective subject with credit points	Total grant for Autonomous Colleges with NCC as an elective subject (₹ in lakhs)
A.	Only Under graduate level:			
	1. Arts/Science/Commerce- one faculty only	9.00	1.00	10.00
	2. Arts/Science/Commerce and more than one faculty	15.0	1.00	16.00
B.	Both Undergraduate and Postgraduate levels:			
	1. Single-faculty	10.00	1.00	11.00
	2. Multi-faculty	20.00	2.00	22.00

Self financing colleges may also be considered for autonomous status after they have completed 10 years of existence. However, they shall be given autonomous status without any autonomy grant. They are to undergo the same procedure as applicable to other colleges.

As on 31-03-2014 there were 454 Autonomous Colleges spread over in 87 Universities and 22 States (**Annexure-IV**).

The Commission revised the guidelines for granting extension of Autonomous Status to Autonomous College w.e.f. 27th Feb 2014 which reads as under:-

Those Autonomous Colleges that have been successfully reviewed for the last 3 times (18 years) and have maintained continuously a NAAC score of minimum B Grade (with CGP of 2.5) shall be exempted from the mandatory Committee visit required for extension of Autonomous College status. These colleges shall furnish the relevant information (as per format) for extension of the Autonomous College status once they fulfill the above criteria and extension will be considered automatically by the Commission.

All autonomous colleges should also be required to upload information on their website regarding courses offered, faculty, availability of infrastructure, admission details, etc.

The UGC received 111 proposals from the Colleges / Universities throughout the country for the conferment of fresh/extension of Autonomous Status, for the year 2013-2014. The Expert Committee's were constituted by the Chairman, UGC to visit these colleges for considering their proposals for providing fresh/extension of Autonomous Status.

During the year 2013-2014 fresh Autonomous Status was bestowed on 27 colleges, whereas extension of autonomous status was provided to 50 colleges.

5.8 Academic Staff Colleges (ASCs)

With the aim to maintain high standards of teaching in Universities and Colleges, the Scheme of Academic Staff Colleges was introduced in 1986-87.

At present, there are 66 ASCs all over India. These colleges, so established, are conducting specially designed Orientation Programmes of four weeks' duration for newly appointed lecturers and Refresher Courses of three weeks' duration for in-service teachers.

An amount of ₹67.37 crores was paid during 2013-14 under the scheme. List of 66 Academic Staff Colleges may be seen at **Appendix-V**.

5.9 Promotion of Rajbhasha (Hindi)

In the year 1963, the Central Government declared Hindi as per Official Languages Act as the official public working language of the Union of India and directed all the departments of the Central Government to set up "Rajbhasha Cell" in order to promote working in Hindi.

The University Grants Commission while implementing the above Act had initially setup a Rajbhasha Cell, which in 1992 was converted into a full-fledged Rajbhasha Section.

- All the documents being issued under the Rajbhasha Act 1963, (clause 3), i.e. general orders, memorandums, under-takings, notifications, rules, circulars, agreements, contracts, tenders, notices, parliamentary questions, etc. may be issued bilingually.
- During the year 2013-14, four meetings of the Rajbhasha Implementation Committee, were held on 27 June 2013, 04 October 2013, 17 December 2013 and 27 March 2014 respectively.
- During the year 2013-14, one employee was provided training in Hindi Stenography and two employees were given training in Hindi typing. One employee got 1st prize and one employee was placed at 3rd position.
- The Website of the UGC is bilingual.
- Material received from various sections of the UGC for translation in Hindi was duly translated by the Rajbhasha Section, e.g.:-
Annual Report 2012-13, Annual Accounts 2012-13, Administrative tender information, Specification of Degrees, Delegation of powers to the officers of the UGC, B.Voc. degree, Guidelines, Right to Information and related correspondence, Development of sports infrastructure in Universities-XII Plan Guidelines, Amendments in the Guidelines pertaining to the appointment of teachers in Universities, Administrative office orders, Memorandums, Postings, Retirements, Orders relating to office discipline, Demy-official letters, Advertisements, and Circulars being received from various Sections, etc.
- During the year 2013-14 different competitions such as essays, debates, Hindi noting and drafting, and Hindi typing on the computer, were organised for the officers/employees of the UGC.
- During September 2013 from 1st – 14th September and on 4th September, Hindi fortnight and Hindi Divas were organised respectively. For Hindi Divas and for the prize distribution, a total amount of ₹2,00,838/- were spent.
- The directives/instructions received from the Ministry of Human Resources Development were complied with.
- For the promotion of work in Hindi 3 workshops were organized in the UGC office, on 17.05.2013, 23.07.2013 and 23.10.2013 respectively.
- The Joint Secretary (Rajbhasha) participated in the 1st meeting of "Nagar Rajbhasha Karyavanyan Samiti (NARAKAS) (Central Delhi) organized on 23.05.2013 at 3:00pm.
- A sum of ₹5100/- as contribution had been given to the President of NARAKAS for the year 2013-14.

During the year 2013-14 the Commission sanctioned grants to 31 Central/State/Deemed Universities for establishment/upgradation of departments of Hindi.

5.10 Bilateral Cultural and Educational Exchange Programmes

The University Grants Commission, on behalf of the Government of India, has been implementing the related provisions of Bilateral Exchange Programmes in the field of Higher Education between India and foreign countries.

Selection procedures

Selection is done through Expert Committees.

Grants paid during the XI Plan (2007-12):-

As collaboration activities are done on the basis of MoUs signed between India and foreign countries, the expenditure for the full plan period (2012-17) cannot be fixed.

Grants paid during 2013-14 of the XII Plan (2012-17):-

The expenditure incurred for the year 2013-14 are as under.

Expenditure Incurred 2013-2014

CEP	- ₹ 2,09,71,788/-
SINGH-OBAMA	- ₹ 7,40,74,173/-
300 RAMAN FELLOWSHIP	- ₹ 19,34,77,484/-
TOTAL EXPENDITURE	- ₹ 28,85,23,445/-

Graph 5.10: Bilateral Cultural Exchange Programmes and Educational Exchange Programmes : Expenditure incurred (2013-14) (₹ in Crore)

The UGC has active Cultural Exchange Programmes and Educational Exchange Programmes with 33 countries and 09 other Academic Collaboration Programmes with different countries.

During the year 2013-14 the UGC had hosted the visit of 4 **foreign scholars** from various countries and arranged their programmes at different institutions in India. A total of **185 Indian scholars** had been deputed abroad under different exchange programmes during this period. The details are as under:

S.No.	Name of the Country	Indian Scholars	Foreign Scholars
1.	FRANCE	4	—
2.	BULGARIA	4	—
3.	HUNGARY	6	1
4.	COMMONWEALTH FELLOWSHIP	38	3
5.	COMMONWEALTH SPLIT-SITE	1	—
6.	300 POST DOCTORAL RAMAN FELLOWSHIP	125	—
	TOTAL	185	4

Delegations:

The UGC had also received the following foreign delegations for exchange of views on mutual cooperation in the field of Higher Education:-

- 17-10-2013 - Delegation from New Zealand
- 06-01-2014 - 3 Members delegation from Muscat University, USA
- 09-01-2014 - 2 Members delegation from Quebec

MoU signed:

> UGC-TEC Mauritius Agreement

A Sixth Consortium Agreement between the UGC and Tertiary Education Commission, Mauritius was signed on 29th January, 2014 at Mauritius, for a period of 3 years. The Programme, inter-alia, has provision for exchange of scholars.

> Indo-Norway Agreement

The Indo-Norwegian Cooperation Programme in Higher Education and Research (INCP) is a new initiative that aims at enhancing higher education links between Indian and Norway. The Programme is based on the India-Norway MoU on cooperation in higher education, which was signed on February 14, 2014 and on the Agreement on Academic Cooperation between the University Grants Commission (UGC), India, and the Norwegian Centre for International Cooperation in Education (SIU).

> Foreign Language Teachers

The UGC has collaborative programmes which, inter-alia, provide for the appointment of foreign language teachers in Indian universities to teach foreign languages. They are appointed in the Universities in consultation with the Mission of the country concerned and the respective university. While providing language teacher(s) to a university, it is generally ensured that the university has proper infrastructure for teaching foreign languages.

During this period, **22 foreign language teachers** had been appointed in various universities in India. The language-wise break-up of teachers is as under:-

German – 3,	Portuguese – 2,	Spanish – 10,	Hungarian – 1,	Pushto – 1,
Croatian – 1,	Bulgarian – 1,	Romanian – 1,	Czech – 1,	Polish – 1.

Fellowships and Scholarships

➤ 300 Raman Post-Doctoral Fellowships in USA

The University Grants Commission has decided to provide excellent opportunity to young Indian researchers and teachers of all disciplines to have international collaborative research and training in advance techniques and technologies in emerging fields, thereby furthering their research capacity and ability to contribute to higher education with global perspective and for developing long-term relationships with distinguished experts in these fields in USA. For this purpose, 300 Raman Fellowships for Post-Doctoral Researchers in USA have been instituted. During this year, i.e. 2013-14, 126 scholars visited USA under this scheme.

➤ Commonwealth Academic Staff Fellowship

Every year, the Association of Commonwealth Universities, United Kingdom, offers 80 Commonwealth Academic Staff Fellowship Awards to enable promising faculty members in universities & colleges in India to do research work at the Universities/Institutions in the United Kingdom.

For the year 2013, the Association of Commonwealth Universities, UK, had offered 80 Fellowships. Accordingly, the UGC had recommended 76 teachers for the fellowships. Out of this, the Association of Commonwealth Universities had finally selected 38 scholars for the fellowships under this scheme.

➤ Commonwealth Split Site Scholarship

For 2013, the Association of Commonwealth Universities, United Kingdom, offered 14 Commonwealth Split Site Doctoral Scholarships for junior faculty or students who are studying for doctoral degree in India and want to benefit from one year full-time study in the U.K.

The UGC had nominated 18 scholars in 2013 and the Association of Commonwealth Universities, UK accepted only 01 (One) scholar under Commonwealth Split Site Scholarships award 2013.

➤ Indo-Finnish Government Scholarships

The Finnish Government offers Scholarship for Postgraduate Studies, Research and Teaching at a Higher Education Institution or Public Research Institute in Finland. Ten Indian Scholars have been nominated by the Commission for the year 2013 to visit Finland.

Joint Research Proposals

➤ UKIERI

The MoU is intended to establish an agreement between the University Grants Commission and the British Council representing her Majesty's Govt. on the Joint Operation of the activities under the UK India Education and Research Initiative (UKIERI) which was signed on 16-08-2011 for the duration April 2011 to March 2013.

This MoU is an extension of the MoU signed by the University Grants Commission and British Council in August 2011. The parties have agreed as follows:

- Programme title: UKIERI UGC Collaboration
- Duration: 30 January 2013-31 March 2016
- Partners:

University Grants Commission (UGC), on behalf of Indian universities and institutions of higher learning and supported by the Ministry of Human Resource Development.

➤ **British Council (BC) through the UKIERI Secretariat based in New Delhi**

20 Joint Research proposals have been approved and 50% grant has also been sanctioned to 18 projects. One project has been rejected by the UK Institutions and one project is shifted for the academic year 2014-15.

In 2013-2014, 33 Joint Research proposals have been approved. Approval has been conveyed and 50% grant has to be released to these projects.

➤ **Singh-Obama Knowledge Initiative Programme**

The modalities for providing assistance to the institutions under the Joint Singh-Obama Knowledge Initiative Programme for strengthening Educational Partnership between India and United States of America were discussed on 19th May, 2010 between Chairman, UGC, and the Joint Secretary (ICC), Ministry of Human Resource Development.

The Commission in principle had agreed to contribute ₹25.00 crores for the programme.

In 2013-2014, 4 Joint Research proposals have been approved. Approval has been conveyed and 50% grant has been released.

➤ **New Zealand**

In 2011, Prime Ministers Dr. Manmohan Singh and John Key announced the India-New Zealand Education Council to enhance bilateral cooperation in higher education and research and in skill development and vocational education. New Zealand (IENG) and UGC, India, are the two key agencies engaged in INZEC. Under the scheme, the UGC has received 68 Joint Proposals from Indian Universities/Institutions, out of which 7 proposals have been recommended for funding.

➤ **German Academic Exchange Service (DAAD)**

A MoU was signed on 30.10.2007 between Prof. Theodor Berchem, President, DAAD, and Prof. Sukhdeo Thorat, Chairman, UGC.

➤ Germany

- **Project Based Personal Exchange Programme (PPP):** The German Academic Exchange Service (DAAD) and the University Grants Commission (UGC) in New Delhi have worked out a programme designed to intensify scientific cooperation through funding to scholars who would participate in cooperative research projects primarily in the field of Humanities and Social Sciences. Special emphasis will be given to young Ph.D. and Post-Doctoral scientists and scholars.
- **Exchange of Scientists Programme:** This programme supports the exchange of 10 scientists from each side in the fields of Humanities and Social Sciences and specific topics would be mutually agreed upon by both the sides. The duration of the exchange should not be less than two weeks and not more than four weeks. During this period, upto four host institutes could be visited. Each side will bear the travel costs of their guest scientists.
- **The South Asian Institute, Heidelberg:** The German side makes an annual award of two-three month scholarships to Indian Scientists to work at the South Asian Institute in Heidelberg.

➤ Indo-French Social Scientists Exchange Programme:

Every year the UGC nominates Indian university/college teachers under the Indo-French Social Scientists Exchange Programme for visit to Paris in order to utilize slots offered by the French side to the UGC.

➤ Travel Grant to Teachers to Visit Foreign Countries under Collection of Source Material Scheme

The Commission provides travel grant on 100% basis to enable the university/college teachers to collect source material/availing of fellowship. The assistance is given to such scholars who have received an assurance for maintenance at least for a period of two months from a recognized university/institute abroad. **During 2013, 1 Indian scholar had been provided financial assistance, under this scheme.**

➤ Indo-Bulgarian CEP

The University Grants Commission had nominated **four** scholars to visit Bulgaria for participation in Annual Seminar of Bulgarian language and culture organized by Sofia University "St. Kliment Ohridski: from **14th July to 3rd August 2013** and "St. Cyril and St. Methodius" University of Veliko Turnovo from **22nd July to 11th August 2013**. All visits have been materialized.

➤ Australia

In the meeting of Ministers of education of India and Australia on 01-08-2011 (AIEC), the following issues were discussed:

1. Collaboration in higher education
2. India Australia Knowledge Exchange Project
3. Institutional collaboration
4. Joint research

The AIEC members identified the following key priority areas of mutual benefit, alongwith the following lead members:

1. Student Mobility	Sh. Najeeb Jung
2. Skills agenda	Mr. Dilip Chenoy
3. Institutional collaboration in higher education	Prof. Ramakrishna Ramaswamy
4. Quality assurance	Prof. Ranganath
5. Research	Prof. Dinesh Singh

The project on Student Mobility is being done by the UGC which has been given to JMI, New Delhi along with a funding of ₹ 40.00 lakh, out of which ₹ 30.00 lakh has been released and the programme is going on.

5.11 National Education Testing (NET): Development of Human Resource for Teaching and Research

The University Grants Commission conducts a national level test, viz. National Eligibility Test (NET) to determine eligibility for Lectureship and for Junior Research Fellowships (JRF) in order to ensure minimum standards for the entrants in the teaching profession and research in several subjects of Humanities (including Indian and some foreign languages), Social Sciences, Computer Science and Applications, Electronic Science, Forensic Science and Environmental Sciences. The Test is conducted in 79 subjects (excluding Paper-I) through 84 coordinating institutions spread across the country. A new subject 'Santali' was introduced from UGC-NET conducted in December 2013 onwards. Seven new coordinating institutions were also engaged in the year 2013-2014 for the convenience of the candidates.

The Test for five core Science subjects, viz. Chemical Sciences; Earth, Atmospheric, Ocean & Planetary Sciences; Life Sciences; Mathematical Sciences and Physical Sciences, is also conducted twice every year by the Council of Scientific and Industrial Research (CSIR) under the Joint CSIR-UGC NET in the months of June and December.

The examination for the award of Junior Research Fellowship (JRF) is being conducted since 1984, and for eligibility for Lectureship - since 1989, in accordance with the Government of India notification dated 22nd July, 1988. Tests for subjects falling under the Engineering Sciences were conducted from December, 1990 to June, 1995 under the Joint UGC-CSIR NET for Junior Research Fellowships. Candidates who desire to pursue research and avail fellowship from the UGC can opt to appear for Junior Research Fellowship (JRF) under the UGC-NET. The candidates with higher merit who qualify for JRF in the UGC-NET can pursue research in the UGC recognized

universities and institutions. They are also eligible for being JR Fellows in core science subjects through the Joint CSIR-UGC NET. The UGC awards 1200 fellowships for Assistant Professorship. Similarly, the meritorious candidates can qualify for award under this scheme in each test. Fellowship is available for a maximum period of five years.

The University Grants Commission awards upward of 3200 fellowships in each UGC-NET. In the UGC-NET held in June 2013, 4468 candidates were declared eligible for Junior Research Fellowship, while in UGC-NET held in December 2013, 3749 candidates qualified for the award of JRF.

Performance in NET

A brief overview of candidates registered, appeared and qualified for eligibility for lectureship and Junior Research Fellowship (JRF) in UGC-NET is presented in Table 5.11(a).

Table 5.11(a): An Overview Of Candidates Registered, Appeared and Qualified in the Year 2013-2014

Performance of Candidates Qualified : CSIR-UGC NET (2013-14)

During the year 2013-2014, an expenditure of ₹359281488 was incurred on conducting the UGC-NET and on all ancillary activities of the NET Bureau. This excludes the expenditure incurred on payment of salaries to the regular employees of the UGC posted in the NET Bureau.

Concessions/Relaxation provided to the Under-Privileged Categories

i) In Fee

In conformity with the policy of Government of India, the University Grants Commission has been giving considerable concession in fee for applying for UGC-NET to all under-privileged sections of the society. While the fee for candidates belonging to the General category is ₹450/-, it is only ₹225/- for OBC candidates as per

the Central Government list who are not covered under the creamy layer. The candidates belonging to the Scheduled Castes and the Scheduled Tribes and the persons with disabilities (PWD) are required to pay a nominal fee of ₹110/- only.

ii) In Age for JRF

The upper age limit for the General category in order to appear in JRF is 28 years. A relaxation of up to 5 years is provided to the candidates belonging to SC/ST/OBC (Non-creamy layer)/PWD categories and to women applicants.

iii) In Eligibility Conditions for NET

1. GENERAL & OBC (Non-creamy layer) Candidates 55% mark in Master's Degree (without rounding off)
2. SC/ST/PWD Candidates 50% mark in Master's Degree (without rounding off)

iv) In Qualifying Criteria for NET

The candidates are required to obtain the following minimum marks separately in Paper-I, Paper-II and Paper-III to be considered for final preparation of result as presented in Table below :-

Table : Category-wise minimum marks required in each Paper to be in the Consideration Zone for preparation of results

CATEGORY	Minimum Marks (%) to be obtained		
	PAPER – I	PAPER – II	PAPER– III
GENERAL	40 (40%)	40 (40%)	75 (50 %)
OBC(Non-creamy layer)	35 (35%)	35 (35%)	67.5 (45 %) rounded off to 68
PWD/SC/ST	35 (35%)	35 (35%)	60 (40 %)

As is apparent, the minimum required marks for OBC, SC, ST and PWD categories in NET are lower than those for the General category. Even, while compiling the results for Junior Research Fellowship (JRF), this principle is kept under consideration and it is ensured that the subject-wise final qualifying cut-offs for the under-privileged categories are lower than those for the General category.

Initiatives to Promote Transparency

The University Grants Commission, in its constant endeavour to promote transparency, undertook various measures to make the examination and evaluation process more interactive and less prone to subjectivity. These measures are outlined in the following paragraphs:

- a) Paper-III, which was descriptive in nature till Dec. 2011 UGC-NET, was converted to objective mode from June 2012 UGC-NET onwards. This ensures parity in evaluation and obviates any possibility of subjectivity in assessing the scripts.
- b) The candidates were not allowed to carry away the question papers with them till UGC-NET held in Dec. 2011. In consonance with its policy of openness, the UGC took a decision to permit candidates to take away the question papers from June 2012 UGC-NET onwards.
- c) The UGC modified its OMR Sheet in order to accommodate a carbonless copy of sheet with it. The candidates can take the carbonless copies of OMR sheets with them from June 2012 UGC-NET onwards.
- d) Since June 2012 UGC-NET, the answer-keys of all the question papers are in public domain as they are uploaded on the UGC website. The candidates, having access to answer keys, question papers and carbonless copies of their OMR sheets, are enabled to check their answers. Online feedback is being invited from candidates for more than a week regarding any discrepancies in the questions or any incorrect answers after uploading the answer keys and question papers. The feedback received from the candidates is being re-examined by the expert committees and answer keys get updated accordingly. The result is being prepared on the basis of updated answer keys.
- e) In a first, the University Grants Commission has taken a landmark decision that the candidates having any grievances with regard to answer key(s) even after declaration of the results of UGC-NET, could send a written request to the Head, UGC-NET Bureau, South Campus, University of Delhi, Benito Juarez Marg, New Delhi-110021, supporting their stand with standard books / literature along with a demand draft of ₹5000/- in favour of Secretary, UGC, within one month from the date of declaration of results. This unique practice was commenced from June, 2013 UGC-NET. Since the UGC had modified the structure (descriptive to objective) of Paper-III from June 2012 UGC-NET onwards, the candidates with similar grievances in June 2012 and December 2012 examinations were also provided this opportunity to file their grievances.

The request(s) so received were placed before the Expert Committee(s) for examination of grievances. The respective committees for the subjects concerned examined the grievances of the candidates and wherever required, and updated the answer keys. Accordingly, the UGC has processed the data in the light of changed key(s) and qualified the additional candidates for JRF and/or eligibility for Assistant Professorship as per already approved cut-off percentages for the subjects concerned. The result of previously qualified candidates for JRF and/or eligibility for Assistant Professorship remained unchanged. The subject-wise cum category-wise qualifying cut-offs for JRF and eligibility for Assistant Professorship already approved for the above mentioned three UGC-NET remained unaltered.

The grievances for December 2013 UGC-NET are similarly being examined.

State Eligibility Test (SET)

In accordance with the mandate of the Government of India through its notification dated 22-07-1988, the UGC, on the request of State Governments, proposed to have State Level Eligibility Test (SLET), now known as **State Eligibility Test (SET)** duly accredited by the UGC for a fixed term. The pattern of SET is same as that of NET conducted by the UGC.

In response to the proposal of some States/group of States to conduct SET, the University Grants Commission grants accreditation to them for conducting SET for eligibility for Lectureship only after examining their proposals. The performance of SET agencies is reviewed periodically by the UGC with the help of experts and their accreditation is renewed for a fixed period. The Head of UGC-NET Bureau is the permanent member of the Steering and Moderation Committees of the SET agencies, which are constituted to exercise overall supervision in conducting the tests and declaration of results.

The candidates who have cleared the State Eligibility Test (SET), accredited by UGC, for Lectureship prior to 1st June 2002, are exempted from appearing in the NET. **For SET scheduled in or after June 2002, the qualified candidates shall be eligible to apply for the post of lecturer only in the universities/colleges situated in the state from where they have cleared their SET.** However, such candidates are also eligible to apply for NET, if they so desire.

Till now, the following states / clusters of states have conducted SET:

- i) Andhra Pradesh
- ii) Bihar
- iii) Chhattisgarh
- iv) Gujarat
- v) Haryana
- vi) Himachal Pradesh
- vii) Jammu & Kashmir
- viii) Jharkhand
- ix) Karnataka
- x) Madhya Pradesh
- xi) Maharashtra & Goa
- xii) North Eastern states (participating states: Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Tripura & Sikkim)
- xiii) Rajasthan
- xiv) Tamil Nadu

- xv) Uttarakhand
- xvi) Uttar Pradesh
- xvii) West Bengal

From among these, the States / groups of States that conducted SET during 2013-14 are as presented in the following:

- i) Andhra Pradesh
- ii) Chhattisgarh
- iii) Gujarat
- iv) Himachal Pradesh
- v) Jammu & Kashmir
- vi) Karnataka
- vii) Maharashtra & Goa
- viii) North Eastern states (participating states: Assam, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Tripura & Sikkim)
- ix) West Bengal

The expenditure for conducting SET is borne by the respective SET agencies.

5.12 Travel Grant

Travel Grant scheme is for providing financial assistance to permanent teachers and librarians of colleges and vice-chancellors of state universities, deemed to be universities and central universities, recognised under section 2(f) and 12B of the UGC Act. The objective of the scheme is to encourage the college teachers to present research papers at international conferences conducted by foreign educational institutions abroad and to study the working mechanism of higher education in those countries. In addition, this facility is available to the permanent teachers of Institutions of National Importance with a cap of 10% of the total approved cases in a year. The Commission members and the UGC Officers at the level of Education Officer/Under Secretary and above are also eligible to apply under this scheme. The maximum age limit for college teachers/college Librarians/UGC Officers is up to the age of superannuation and for Vice-Chancellors and Commission Members till they are in position.

The permanent teachers and Librarians of the colleges enlisted under Section 2 (f) and 12B of the UGC Act, 1956, are being provided with 100% grant for travel, registration fee, per diem allowance, visa fee, etc. once in a period of three years. Whereas, the Vice-chancellors of State Universities, deemed to be Universities and Central Universities included under section 2(f) and 12B of the UGC Act, Commission Members, UGC Officers and SC/ST/OBC (non creamy layer) college teachers will be provided financial assistance on 100% basis once

in a period of two years. Applications for assistance under the UGC Travel Grant Scheme are to be submitted two months prior to the commencement of the Conference alongwith research paper to be presented and acceptance letter from the organizers of the Conference.

Proposals received under the said Scheme are evaluated by the Travel Grant Committee constituted by Chairman, UGC and the recommendations given by the subject experts are being considered by the Commission.

UNESCO Programme: Various circulars regarding scholarships/training programmes abroad, offered by the UNESCO in different member countries received from the Ministry of Human Resource Development, Government of India, New Delhi, are being circulated by the UGC among the universities and educational institutions in India. On some matters of UNESCO, related to the development of higher education and coordination among the member countries, the Ministry of Human Resource Development seeks the views/comments of the UGC which are being offered after due consideration/study of the documents.

5.13 Inter University Centres (IUCs)

The University Grants Commission has been establishing Inter-University Centres (IUCs) under section 12(ccc) of the UGC Act since 1984. Inter University Centres are autonomous bodies within the University system with a view to providing at a central place state-of-the-art equipment and facilities which are not generally available at many universities due to cost factor, for the benefit of researchers working in different universities. So far, it has established 7 such Centres.

The primary objectives of Inter University Centres are:

- To provide common advanced centralized facilities/services for universities which are not able to make heavy investments in infrastructure and other inputs;
- To play a vital role in offering the best expertise in each field to teachers and researchers across the country;
- To provide access for the research community and teaching faculty to the state-of-the-art equipment and excellent library facilities which are comparable to International standards.

The list of Inter University Centres with their specific objectives are as given in the following table:

S.No	Name of the Centres	Year of establishment	Objectives
1	Inter University Accelerator Centre (IUAC)	1984	Accelerator oriented research
2	Inter University Centre for Astronomy and Astrophysics, Pune-411007	1988	State-of-the-art instrumentation for research in Astronomy.
3	UGC-DAE Consortium for Scientific Research, Indore-452001	1989	Use of facilities of Department of Atomic Energy
4	National Assessment and Accreditation Council, Bangalore-560010	1994	To assess and accredit public and private Institutions of Higher Learning.
5	Information and Library Network (INFLIBNET), Ahmedabad-380009	1991	Networking of libraries through electronic media
6	Consortium for Educational Communication, Aruna Asaf Ali Marg, New Delhi-110067	1993	To disseminate education information to a broader audience in the through country-wide classroom programmes via television, internet and other means of electronic communication.
7	Teacher Education Centre, Kakinada	2013	To strengthen the knowledge base of Teacher education in the country backed by training and resources on best practices in teacher empowerment and methodology.

The following section summarises the details of each inter-university centre, its highlights and the financial information.

5.13(i) Inter-University Accelerator Centre, Delhi (IUAC Delhi)

Inter-University Accelerator Centre (IUAC), originally known as Nuclear Science Centre (NSC), is an autonomous research centre established in the year 1984 by the University Grants Commission. The Centre was established considering great demand of Indian research community for access to modern accelerator based research facilities for carrying out internationally competitive research in latest areas of interest in related disciplines. The Centre developed world class ion accelerators and associated experimental research programs for carrying out advanced research in the areas of current interest. The development of infrastructure for establishing the Centre was started in the year 1986 and it was dedicated to the nation in 1990. In the short span of four years (1986-1990) the complete infrastructure of the Centre was built as per international standards and in stipulated time. The Centre became completely operational in the year 1991 and since then, it has been fulfilling its mandate by providing round the clock research facilities to more than 400 research groups from over 83 universities, 54 colleges and 63 other national laboratories. Till now there have been more than 100 PhDs produced by this centre and many high quality research papers have been published in reputed international refereed journals. In the year 2005, Nuclear Science Centre was renamed as Inter- University Accelerator Centre (IUAC).

Objectives and salient features

The mandate of IUAC, as a national facility, is :

- to provide the world class accelerator systems along with state of the art experimental facilities;
- to provide front ranking ion accelerator based research facilities to the researchers from Indian universities, research institutes and other national laboratories in the fields of Nuclear Sciences, Materials Science, Radiation Biology, Atomic & Molecular physics, Accelerator Mass Spectrometry, etc.;
- to build internationally competitive facility for the advanced and futuristic research activities and to be complimentary to the existing national facilities;
- to inculcate culture of development of Ion Accelerator Physics and Technology in the country. As a result, IUAC has not only established its name as the accelerator based research laboratory, but it has also built many different types of accelerators providing ion beams having energy range from a few kilo electron volts to hundreds of Million electron volts. The IUAC has different types of accelerators like tandem Van de Graaf accelerator, Superconducting Linear Accelerator, Radio Frequency Quadrupole for High Current Injector, Electron Cyclotron Resonance ion source based Positive Ion Implanter, Negative Ion Implanter, etc. In addition, it has also established many other facilities which are used in conjunction with accelerator based research. A tandem accelerator dedicated for Rutherford Back Scattering and Channelling is established. The IUAC has also recently established high power computational facility (HPC having 3200 nodes, ~70TF) to provide supercomputing access to university researchers across the country.

- **IUAC to be key member of country's national programs for multidisciplinary applications oriented research:** At present the IUAC has developed capabilities to be part of various national and international programs diversified from basic sciences, semiconductor electronics, device compatibility for space satellites to oceanographic research.
- **Capacity building for high end research:** At this stage it has been possible for the IUAC to pursue these plans successfully as necessary trained manpower for research as well as for technological developments in the field of accelerator physics and research have been produced by it.

5.13(ii) Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune

In mid 1980s, teaching of Astronomy and Astrophysics (A & A) was not adequately covered in Indian colleges and universities. When Professor Yash Pal was the Chairman of the University Grants Commission, it was envisioned to provide an advanced centralized place, where all facilities were available to do research and teaching in A & A, which was considered as one of the thrust areas. Hence, IUCAA was founded by the UGC in 1988, as an autonomous centre of excellence, and Professor Jayant V. Narlikar as the founder Director.

Objectives and Salient Features

- To help initiate, nurture and grow teaching, research, and development activities in A & A in the university sector;
- To conduct vigorous research programme of its own;

- The IUCAA is expected to function as a field station and resource centre, and provide general guidance and help for A & A activities in India and neighbouring countries;
- The IUCAA members have been involved in the ASTROSAT programme of the Indian Space Research Organization;
- The IUCAA is a lead institute in the Thirty Metre Telescope (TMT) project, funded by the Department of Science and Technology (DST), and Department of Atomic Energy (DAE);
- The IUCAA is one of the institutes working towards the Laser Interferometer Gravitational Waves Observatory (LIGO) – India project.

To fulfill the objectives, the IUCAA has devised many programmes, and a few of them are mentioned below:

- (a) Basic Research
- (b) Teaching A & A
- (c) IUCAA – NCRA Graduate School
- (d) Refresher Course and Summer School
- (e) Associateship Programme
- (f) Nucleation of A & A in Indian Universities
- (g) IUCAA Resource Centres
- (h) Conducting Schools, Workshops, and Conferences
- (i) Operating IUCAA Girawali Observatory
- (j) Observation Time in Southern African Large Telescope (SALT)
- (k) Public Outreach Programme

- (a) LIGO - India Meeting, June 10 - 15, 2013.
- (b) Gravitational Wave Physics and Astronomy Workshop (GWPAW), December 17 - 20, 2013.
- (c) Astronomy and Physics with LIGO - India, December 20, 2013.
- (d) MIT - IUCAA Workshop on X-ray Studies of Transient Astronomical Sources, January 13 - 24, 2014.

In 2013-14, 25 foreign delegates visited the facilities of IUCAA Pune. A total of 27 institutional agreements are in place between IUCAA Pune and other institutions or countries to advance the research in the areas of astrophysics and astronomy. Seventy research publications were brought out using the facilities in IUCAA with the cumulative number of publications being 1473 till date.

5.13(iii) UGC-DAE Consortium for Scientific Research, Indore

UGC-DAE Consortium for Scientific Research (UGC-DAE CSR), formerly known as Inter-University Consortium for Department of Atomic Energy Facilities (IUC-DAEF), was established in 1990 based on a MoU, which was signed between Prof. S. Yashpal, then Chairman, University Grants Commission and Dr. M.R. Srinivasan, then Chairman, Atomic Energy Commission. The UGC-DAE CSR has three centers, at Indore, Kolkata and Mumbai with its Head Office at Indore. The scope of the activities of this institute was broadened in 2003 when a new MoU was signed between the two organizations and at that time, name IUC-DAEF was changed to UGC-DAE CSR. The UGC-DAE CSR node at IGCAR, Kalpakkam started functioning with the installation of a number of instruments.

Objectives and salient features:

- Provide university researchers access to 'Big-Science facilities', and other high-tech facilities (as made accessible), of DAE. This is achieved through collaborative research schemes, through its Indore, Kolkata and Mumbai Centres (all created at inception), and Kalpakkam Node (established recently).
- Create and provide high-tech experimental facilities that are uncommon and rare in the Indian educational system. This is done through adding specific experimental setups on the DAE facilities, and through creating experimental facilities in our labs. In both cases, these are supported by the research expertise of our scientists.
- This should enable high quality research output.

- An awareness workshop on the research facilities available at the Variable Energy Cyclotron Centre (VECC), Kolkata, was organized by the Kolkata Centre of the Consortium, jointly with VECC and Sri SathyaSai Institute of Higher Learning (SSSIHL), at the PrasanthiNilayam campus of SSSIHL, on 28th-29th June, 2013.
- A two day thematic workshop on Physics of Phase Transitions was held at UGC-DAE CSR, Indore during October 24-25, 2013.
- A three-day Awareness Workshop of UGC-DAE CSR was organized by the Mumbai Centre of the Consortium and School of Engineering Sciences and Technology, University of Hyderabad, at Hyderabad during October 28-30, 2013.
- A two day thematic Research scholars’ workshop on “Physics of Materials” was held at UGC-DAE CSR, Indore, during December 23-24, 2013.
- UGC-DAE Consortium for Scientific Research (CSR), Mumbai centre in association with Solid State Physics Division (SSPD) BARC organized a five day school on Neutrons as Probes of Condensed Matter (NPCM) from February 4-8, 2014 at BARC, Mumbai.

Three hundred and nine research publications were brought out by DAE-CSR Indore with the cumulative number of publications till date being 2950.

5.13(iv) National Assessment and Accreditation Council (NAAC), Bangalore

In India, there has been a tremendous quantitative expansion in the number of Higher Educational Institutions (HEIs). The profile of education providers vary in types, programmes, curricular offerings, mode of delivery and funding pattern. In fact, higher education throughout the world is in a flux. Under such conditions, variations in standard and quality are natural outcomes. Arising out of the need for establishing standards in education in the context of the proliferation of colleges all over the country, the National Policy on Education (NPE, 1986) and the Program of Action (PoA, 1992) have emphasized the need for a mechanism to be set up, which will encourage self-assessment in institutions and also Assessment and Accreditation by an external agency. The University Grants Commission, under section 12(ccc) of the UGC Act of 1956, established the National Assessment and Accreditation Council (NAAC) on 16th September 1994 with headquarters at Bangalore.

Objectives and Salient Features:

The prime agenda of NAAC is to assess and accredit institutions of higher learning, universities and colleges or one or more of their units, i.e., departments, schools, institutions, programmes, etc.

The main objectives of assessment and accreditation are to:

- a) grade institutions of higher education and their programmes;
- b) stimulate the academic environment and quality of teaching and research in these institutions;
- c) help institutions realise their academic objectives;
- d) promote necessary changes, innovations and reforms in all aspects of the institutions working for the above purpose;
- e) encourage innovations, self evaluation and accountability in higher education.

In order to meet its mandate the NAAC will:

- review periodically and revise, and update as and when considered necessary in the light of experience gained, the techniques and modalities of assessment;
- communicate the results of assessment and grading to the institution concerned in a form and manner appropriate for corrective action, rectification and self improvement;
- help and encourage the institutions in developing their own procedures, techniques and modalities for self evaluation;
- initiate research studies, in planning and evaluation of educational institutions, programmes etc.;
- ensure an optimised use of resources and the achievement of the identified goals of institutions of higher learning;

- The NAAC may collaborate with institutions, Indian and foreign, engaged in work of a similar nature and may also undertake on request assessment and accreditation of institutions of higher education abroad.

The NAAC functions through its General Council (GC) and Executive Committee (EC), where educational administrators, policy makers and senior academicians of a cross section of the system of higher education are represented. The Chairperson of the UGC is the President of the GC of NAAC and the Chairperson of the EC is an eminent academician, nominated by the President, GC. The Director is the academic and administrative head of NAAC, and is also the member-secretary of both, the GC and the EC. The NAAC has a core staff supplemented by consultants, to undertake its various functions.

Accreditation Status

The target group for the NAAC is the universities and colleges in India, for the purpose of Assessment and Accreditation.

First Cycle/Second Cycle/ Third Cycle	Universities	Colleges	Total
Cycle I	10	241	251
Cycle II	6	217	223
Cycle III	3	26	29
Total	19	484	503

503 Higher Education Institutions (484 colleges and 19 universities) were assessed and accredited during the period under report, thus, bringing the total to 5350 colleges and 182 universities accredited by NAAC till 31st March 2014 (including 79 universities and 1460 colleges for Cycle-II and 5 universities and 68 colleges for Cycle III). The total number of accreditation done by NAAC as on 31st March 2014 is 6878 colleges and 266 universities.

2808 colleges and 120 universities have volunteered for Assessment and Accreditation during the reporting period. 899 colleges have submitted Institutional Eligibility for Quality Assessment (IEQA) applications.

ICT - Entire campus of NACC is connected and wi-fi enabled. Efforts to get 1 gbps connectivity through NMEICT are on. Dynamic website improved web interface was also taken up during the year. This project is being implemented with the consultancy being offered from NIC, Bangalore centre. The NAAC with the help of NIC has released online Letter of Intent (LOI) application for Higher Educational Institutions (universities and colleges) and online Institutional Eligibility for Quality Assessment (IEQA) module for colleges with instantaneous results.

The NAAC website www.naac.gov.in is being constantly populated. NKN connectivity for NAAC is under process. Procurement of Statistical and DTP software and installation was done during the period under report. **Revised Annual Quality Assurance Report (AQAR) format have been developed by NAAC** for HEIs to submit

soft copies only from the academic year 2013-2014. All AQARs pertaining to the academic year 2013-2014 will be submitted during the academic year 2014-2015.

The NAAC had submitted a project proposal “National Quality Renaissance Initiative (NQRI)” to MHRD under Rashtriya Uchchar Shiksha Abhiyan (RUSA) and the MHRD approved it in November 2013. The MHRD has sanctioned ₹17 crores to NQRI. The major features of the NQRI are (i) Awareness building, popularisation and promotion of Quality Assurance Mentoring Higher Education Institutions, (ii) Building Collegium of Assessors and (iii) Quality Sustenance and Enhancement Initiatives.

(i) Awareness building, popularisation and promotion of Quality Assurance Mentoring Higher Education Institutions

University-wise and State-wise colleges popularisation programmes are being organised by the NAAC. The expenditure towards the programmes has been borne by the NAAC. So far NAAC has organised two such programmes, viz., in Rajasthan and in Madhya Pradesh during the period 1st April 2013 to 31st March 2014.

- a) Workshop on Assessment and Accreditation at Central University of Rajasthan - 07 January 2014. On 7 January 2014, the NAAC in collaboration with the Central University of Rajasthan organised a workshop on Assessment and Accreditation. Apart from the college faculty and Principals, several senior officials of the State Higher Education department also participated in the workshop and had one to one discussions with Director, NAAC, and his team. Around 200 participants representing more than 150 Government and Government-aided colleges benefited from the workshop. Apart from detailing the processes involved in Assessment and Accreditation by NAAC, the participating institutions were also informed on the measures to be taken for quality sustenance and enhancement, post accreditation initiatives and the role of Internal Quality Assurance Cell (IQAC) in continuous improvement of quality. In the question answer session several issues were clarified and resolved. The session was extremely successful with the state government officials realising the challenges of the institutions especially in terms of staffing, change in Names without coordination with the affiliating University and the UGC, etc. and the colleges sought clarifications on some of the terminology used by NAAC and their interpretation, etc.
- b) Awareness workshop on A&A of NAAC at Dr.Harisingh Gour Vishwavidyalaya, Madhya Pradesh - 28th and 29th March 2014. The second workshop was held on 28th and 29th March 2014 at Dr.Harisingh Gour Vishwavidyalaya, Sagar, Madhya Pradesh (Central University). Around 150 participants comprising of IQAC Coordinators of the State/Central University, Principals/ IQAC in-charge of affiliated colleges and Principals of eligible colleges in the jurisdiction of the University intending to opt for NAAC accreditation attended the workshop. Several University officials also participated in the workshop. Unlike in the earlier workshop the focus of this workshop was on the seven criteria of the NAAC and the preparation of the Self Study Report (SSR). As a post accreditation initiative the establishment and functioning of the IQAC and its role in Quality assurance, sustenance and enhancement was also discussed in detail.

(ii) Building Collegium of Assessors

The NAAC believes that the quality of the assessment depends on the quality of the assessors. It is necessary to have acquaintance with the Assessment and Accreditation (A&A) process and the methodology of NAAC evaluation, to enable the empanelled assessors to work effectively. The NAAC draws its expertise from senior academics of undoubted integrity from all over India. The NAAC would like to expand the National Collegium of Assessors and would like to empanel the best experts in Higher Education. Hence it regularly organizes Assessors' Interaction Meetings (AIM) before empanelling the assessors in the Collegium. Potential assessors are selected for the AIM.

The AIM is thus aimed at providing an insight to the NAAC methodology and to experience the process in simulation. AIM is also an opportunity to get feedback from academicians, which helps the NAAC in further fine-tuning the process of A&A.

During the period 2013-2014, the NAAC has organised AIMs. The Assessors include present and past Vice-Chancellors, Directors of National Institutes, Deans and Professors from Universities, Principals of Colleges. During the period 2013-2014, the NAAC has added 175 Assessors in the Collegium, thus making a total of around 1300.

Assessors trained during 1st April 2013 – 31st March 2014

Sl.No.	AIM Date	Type	Number of Assessors trained
1	April 25-26 2013	General	39

3	December 24-25 2013	Engineering & Management	42
4	February 6 -7 2014	General	46
	Total		175

(iii) Quality Sustenance and Enhancement Initiatives

The Committee for sanctioning financial assistance for conducting Seminars/Workshops/ Symposia / Conferences met (on 10th May 2013, 14th August 2013, 2nd December 2013 and 13th March 2014) and screened the proposals received from the accredited Higher Educational Institutions (HEIs) seeking financial assistance from the NAAC. Based on the recommendations of the Committee, out of 199 proposals received, the NAAC has sanctioned financial assistance to 65 Higher Educational Institutions.

5.13(v) Information and Library Network (INFLIBNET) Centre, Gandhinagar, Gujarat

The Information and Library Network (INFLIBNET) Centre, setup in May 1996, is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located at Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, to promote information transfer and access, to support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India.

Technology being a driving force in the contemporary education system, the Centre, has taken-up a number of initiatives for the benefit of the academic community in India. These initiatives include i) IndCat, a unified online catalogue of books, theses and journals available in major university libraries in India; ii) The SOUL 2.0, state-of-the-art integrated library management software; iii) UGC-Infonet Digital Library Consortium that extends access to selected scholarly electronic journals and databases to the universities in different disciplines; iv) N-LIST that provides access to electronic journals and electronic books to eligible colleges; v) Shodhganga that enables online submission of doctoral theses and dissertations by research scholars in a digital repository; vi) Shodhgangotri that enables research scholars to submit approved synopsis of research proposals submitted to the university; vii) Open Journals Access System (OJAS) that facilitates faculty and researchers in Indian universities to launch their open access journals on OJAS platform; viii) InfoPort: INFLIBNET's Subject Gateway for Indian Electronic Resources; ix) e-PG Pathshala, a project assigned to the UGC by NME-ICT, wherein e-content are being developed in 77 subjects at postgraduate level; x) VIDWAN, a premier database of profiles of scientists and faculty members working at leading academic institutions and other R & D organisations involved in teaching and research in India; and xi) Integrated e-content portal, a web-based portal consisting of all e-content developed and funded under NME-ICT.

Objectives and salient features

The objectives of the Centre are as follows :

- a. to promote and establish communication facilities to improve capability in information transfer and access that provide support to scholarship, learning, research and academic pursuits through cooperation and involvement of agencies concerned;
- b. to establish information and library network - a computer communication network for linking libraries and information centres in universities, deemed to be universities, colleges, UGC information centres, institutions of national importance and R&D institutions, etc. avoiding duplication of efforts;

- c. to facilitate academic communication amongst scientists, engineers, social scientists, academicians, faculty, researchers and students through electronic mail, file transfer, computer/ audio/video conferencing, etc.;
- d. to undertake system design and studies in the field of communications, computer networking, information handling and data management;
- e. to establish appropriate control and monitoring system for the communication network and organize maintenance;
- f. to collaborate with institutions, libraries, information centres and other organizations in India and abroad in the fields relevant to the objectives of the Centre;
- g. to promote R&D and develop necessary facilities and to create technical positions for realizing the objectives of the Centre;
- h. to generate revenue by providing consultancies and information services; and
- i. to do all other such things as may be necessary, incidental or conducive to the attainment of all or any of the above mentioned objectives.

5.13(vi) Consortium for Educational Communication, New Delhi

Consortium for Educational Communication (CEC) is an IUC of UGC to facilitate the design and distribution of educational programmes through Information and Communication Technology (ICT). CEC is a rich source of

educational content for every university, college, educator and learner in India which is freely available through multiple platforms like websites and television.

University Grants Commission (UGC) started the Countrywide Classroom (CWCR) programmes in 1984 to use the satellite communication for enhancing the quality of education. The first telecast of countrywide classroom programme started on 15th August, 1984 on Doordarshan National Network. To undertake the challenging activities relating to countrywide classroom and use of electronic media in higher education, UGC established the Consortium for Educational Communication (CEC) on May 26, 1993 as an inter-university centre.

Salient Features and Programmes offered by CEC

A brief on educational content offered by various platforms of CEC is given below.

- **Vyas Higher Education Channel (24 X 7)**

Vyas Higher Education Channel of CEC broadcasts video lectures for Undergraduate students in all subjects. Each lecture is of 30 minutes duration. More than 600 programmes are broadcasted per month. The Channel also airs enrichment material in the form of documentaries relevant for students of higher education. Schedules of these video programmes are available at www.cec-ugc.nic.in and also in the Newsletter of CEC which is sent to all Universities.

- **Complete package of E-learning Content**

Complete package of E-learning content available for Undergraduate Students in History, Botany, Anthropology, English, Hindi, Photography, environment sciences and mathematics. The content includes video, audio, downloadable text, assignments, references and FAQs.

Any student with internet connection can access these resources at the following websites.

- www.cec-ugc.nic.in
- www.webcast.gov.in
- www.sakshat.ac.in

- **Video Programmes for Undergraduate Courses**

A total of 12000 hours of content in 24,000 Educational video programmes across a broad range of subjects including Art/Culture/Literature/Language, Social Science, Management & other Professional Courses, Natural & Applied Sciences/Engineering/Medical Sciences are available with CEC. These can be accessed through www.youtube.com/cec-ugc. Webcasting of the same is available at www.youtube.com/user/cecedusat.

- **EduSat Network**

The CEC EduSat Network is an education channel with live transmission of video lectures for four hours daily delivered by the subject experts. First hour covers Art, Culture and Literature,

second hour covers Social Sciences, third hour is dedicated for Management and related Professional courses while fourth hour is for Natural and applied Sciences. The live lectures are telecast on Vyas Channel and the same can also be viewed from YouTube at www.youtube.com/user/cecedusat.

● **Short Learning Objects**

More than 1000 answers for many commonly asked education related questions, known as Short Learning Objects, are available in the CEC portal. Each of these materials is carefully prepared with a short video and written material for easy comprehension. It covers a wide range of disciplines relevant for students of higher education. Students can access this material at www.cec-ugc.nic.in

The CEC is also venturing into provision of Massive Online Open Programmes (MOOCs). The CEC is the nodal centre of 17 Media Centres spread across the country in various universities.

5.14 National Facilities Centres

The UGC has established 4 National Facilities Centres, which are as under:

1. Western Regional Instrumentation Centre, Mumbai
2. Crystal Growth Centre, Anna University, Chennai
3. MST Radar Application Centre, SV University, Tirupathi
4. Indian Institute of Advanced Studies (IIAS) Shimla

5.14(i) Western Regional Instrumentation Centre (WRIC), Mumbai

The Centre was established by the UGC in 1977 under the Administrative control of Bombay University with the objective to provide training to USIC staff and students for proper use and maintenance of instruments, conducting advance study programmes such as work-shops, seminars for teachers, research workers from universities, National Laboratory, Industries, etc. The Centre is being funded by the UGC on a 100% basis from Plan to Plan.

5.14(ii) Crystal Growth Centre, Anna University, Chennai

The Crystal Growth Centre, Anna University, Chennai, was established in 1982 with the following objectives:

1. to develop facilities for Growth and Characterization of crystals of technological and industrial importance;
2. to bridge the gap between needy industries and laboratory research;
3. to cater to the needs of various institutions in India with regard to requirements of special crystals for research etc.

5.14(iii) MST Radar Applications Centre, Tirupati

The MST Radar Applications Centre was established by the UGC to create scientific awareness about the potential of the Radar facility for advanced research in middle atmosphere dynamics and to attract bright and young research scholars to make use of the MST Radar facilities. The UGC-SVU Centre for Radar Applications was established in the Deptt. of Physics, Sri Venkateshwara University, Tirupati. The UGC-SVU Centre serves as a common platform for the University system in India for the exchange of scientific knowledge at the Centre. It is accessible to scientists and researchers from the Indian Universities working in the area of atmospheric science, especially with reference to MST Radar related studies.

5.14(iv) Indian Institute of Advanced Study (IIAS), Shimla

The Indian Institute of Advanced Study (IIAS), Shimla is an Institution established by "The Indian Institute of Advanced Study Society", registered under the Societies Registration Act XXI of 1860. The Institute aims at promoting creative thought in areas of deep human significance, and provides an environment suitable for academic research in humanities and social sciences.

To provide facilities, including financial assistance, for advanced studies to teachers and other scholars for specified period is one of the important objectives of the Institute. Another objective is to organize meetings, lectures, symposia and conferences.

The Inter University Centre for humanities and social sciences has been functioning in the Indian Institute of Advanced Study, Shimla since 1991. The University Grants Commission and Indian Institute of Advanced Study mutually agreed that collaboration between the two will be of immense benefit to promote academic interaction and growth of humanities and social sciences.

Sciences including Engineering & Technology, Medical, Pharmacy, Agriculture - ₹12.35 Crores

Humanities, Social Science, Languages, Literature, Arts, Law and allied disciplines - ₹12.80 Crores

Prominent features of XII Plan Guidelines for MRP Scheme

1. Minor research projects of the universities will be dealt by the Universities concerned directly out of Development Grant and for colleges, at the respective UGC Regional Office.
2. The tenure of the Humanities & Social Sciences projects will also be 3 years instead of 2 years.
3. No extension in the tenure will be permitted.
4. The honorarium for the retired teachers will be ₹18,000/- p.m. instead of ₹12,000/-p.m.
 - The Principal Investigator (PI) has to publish at least two research papers out of the project.
 - Subject expert committees are constituted by the Chairman, UGC for conducting screening of proposals/mid-term/final interface meetings.
5. After one and a half years from the date of implementation of the project, the UGC organises Mid-term Evaluation meeting wherein PI presents the progress of the project before the subject experts. On the basis of recommendations of the experts, second instalment will be released.

The final report of the project is to be assessed by minimum two experts not belonging to their institution before submission to the UGC.

6.2 Research Awards

The main objective of the scheme is to provide an opportunity to permanent teachers of universities/institutions to pursue research in their area(s) of specialization for a period of two years without undertaking any research guidance and leaving teaching responsibilities.

Teachers, who have a doctorate degree and have shown excellence in their area(s) and who are not more than 45 years of age are considered for the award. The age is relaxable by 5 years in the case of women, SC/ST, OBC (non-creamy layer), physically handicapped and minorities teachers. A teacher is eligible to avail the Research Award only once. The two year tenure of the award is generally non-extendable. Selections are made for 100 slots in alternate years for all the disciplines of Sciences, Humanities, Social Sciences and Engineering & Technology based on the recommendations of an Expert Committee constituted by the UGC.

The pattern of financial assistance available is as under:

- Full Salary of the awardee with admissible allowances, except CPF/GPF contribution;
 - Research grant to meet expenditure on books and journals, chemicals and equipment, expenditure towards project assistance, expenditure towards travel within and outside the Centre, etc.;
- Humanities & Social Sciences - ₹ 2.00 lakhs
- Sciences/Engineering & Technology - ₹ 3.00 lakhs

The awardee is to submit a mid-term progress report of the research work through the Head of the Department as well as the Registrar of the University/Principal of the College within 12 to 15 months from the commencement of the Award.

The online application received under this scheme is scrutinized by the Screening Committee. Later, the shortlisted candidates are called for interview before the selection committee constituted by the UGC. The selection for the Award is based on the recommendations of an Expert Committee constituted by the UGC.

The Research Award is liable to be cancelled in case of misconduct, unsatisfactory progress of research work and ineligibility of the candidate, if found later.

The details of expenditure incurred towards payment to the awardees during XII Plan are as follows:

Year	Expenditure incurred (₹ in crores)
2012-13	7.35
2013-14	7.20

6.12 P.G. Scholarship for GATE Qualified Students of M.E/M.Tech/ M. Pharma

The University Grants Commission is implementing the scheme of PG scholarship for GATE/GPAT Qualified M.E/M.Tech/M.Pharm courses and integrated dual degree programmes. The objective of the scheme is to attract and help young talented graduate students to pursue technical education at Post Graduate level in Higher Educational Institutions.

Since the initiation of the scheme universities running technical programmes submit claim for financial assistance in the form of PG scholarship for about 1200 every year.

Nature of financial assistance:-

Fellowship	@ ₹ 8000 Per Month
Contingency	@ ₹ 5000 Per Annual.

The UGC has discontinued the scheme of PG scholarship for GATE/GPAT Qualified M.E/M.Tech/M.Pharm since 2013 as per the decision taken in the 493rd meeting of the Commission held on 10th May, 2013 and the All India Council of Technical Education (AICTE) New Delhi will implement such scheme since 2013.

An expenditure of ₹99,94,242/- was incurred during the reporting year 2013-14.

6.13 Indira Gandhi Post-Graduate Scholarships Scheme for Single Girl Child

The Govt. of India has taken various steps to uplift the status of women by implementing various schemes/programmes including free education for girls and declaration of elementary education as a basic human right of every child. The Indira Gandhi Post-graduate Scholarship for Single Girl Child Scheme is one of such schemes, with an aim to compensate direct cost of girls' education at all levels, especially for such girls who happened to be the only girl child in the families.

The objectives of the scheme are to support Post-graduate education of single girl child in non-professional courses and to recognize the value of observance of small family norms.

The scheme was started with the postgraduate academic session 2005-07. Only single girl child of her parents and who has taken admission in regular, full time first year Masters degree course (Non-professional course) in any recognized university or a postgraduate college is eligible for the scholarship. The scholarship is available for the full duration of the course. Girl students up to the age of 30 years at the time of admission in PG courses are eligible. All eligible girl children will get the scholarship. There is no cap restriction on the number of scholarships.

It is expected from the Institutions where students had taken admission in the first year PG course that no tuition fees will be charged by them from the girl students to pursue PG degree course in the Institutions covered under sections 2(f) and 12B of the UGC Act.

The value of scholarship is ₹2,000/- p.m. for a period of two years only (10 months in the year) i.e. full duration of the course.

The number of girl students who are benefitted, PG academic session-wise, had been as under:

2005-07	1360
2006-08	1067
2007-09	1200

6.14 Post-graduate Merit Scholarships for University Rank Holders at Undergraduate level

For India to emerge as a powerful nation there is an urgent need to attract young and talented boys and girls into the fold of Post-Graduate education by providing them good incentives in the form of scholarships. The UGC, therefore, initiated and implemented a Post-graduate Merit Scholarship for University rank holders at the undergraduate level.

The scholarship may be tenable for a period of two years to enable the rank holders of each university at the undergraduate level to pursue their Master's degree. All universities/degree awarding institutions would be required to issue rank certificates to the toppers of the university (not at the college level) both in General and Honors courses, namely B.A., B.Sc., and B.Com. The awardees can pursue their postgraduate programme in any area of specialization in any institution of higher learning in the country.

The objectives of the scheme are:

- to promote and nurture talent;
- to reward meritorious students with outstanding performance at the undergraduate level for pursuing post-graduate studies;
- to promote to study in basic subjects, both general as well as honors, at the undergraduate level;
- to build up academic excellence at post-graduate level across the colleges and universities in the country.

Eligibility:

The first and second rank holders at undergraduate level and admitted in any post-graduate course are eligible for this scholarship. The scholarship awardees will have to submit the proof of their merit position at undergraduate level as well as their admission in postgraduate courses. The scholarship would, however, be subjected to securing a minimum of 60% marks at undergraduate level.

The scheme is applicable to such students who have taken admission in regular, full-time Master's degree course in any recognized State/Deemed University and Autonomous or PG college. The scholarship is available to the student for PG degree only. Age limit for the student is 30 years at the time of admission in PG course. Distance mode of education is not eligible for consideration for the scholarship.

The total number of scholarships in the first academic year would be 3000. The duration of the scholarship will be two years only. The tenure of the scholarship will not be extendable beyond two years under any circumstances.

The rank holders would be considered only from those affiliating universities in which at least 100 students/ and in Deemed Universities/Autonomous/non-affiliated colleges at least 25 students have appeared in the examination at the UG level.

Each awardee, under this scheme, will be provided a scholarship amount of ₹2000/- per month for a period of two years (i.e. 10 months in a year).

6.18 Dr. D.S. Kothari Post Doctoral Fellowship

Introduction

Post-doctoral research is an important enabling step in grooming young researchers for launching an academic/ research career. This is a **transition** phase from a largely supervisor - directed student at doctoral level to an independent researcher for leadership position, particularly in academia. A post-doctoral stint also provides an opportunity to acquire new skills, broaden one's horizon and offers a platform for transition into cross-disciplinary areas.

Eligibility:

Candidates who have either received a Ph. D degree or submitted their Ph. D thesis are eligible to apply. When selected, those holding the Ph. D degree will be directly awarded the Post Doctoral Fellowship (PDF). Those who have submitted their Ph. D thesis may be awarded a 'bridging fellowship' (with marginally reduced stipend) until they are formally awarded the Ph. D degree.

Financial Assistance

	Regular Fellowship	Bridging Fellowship
1 st year grant	₹ 28,000/-pm	₹22,000/-pm
2 nd year grant	₹ 29,000/-pm

6.19 Research Fellowship in Science for Meritorious Students

Introduction

The Research Fellowship in Sciences for meritorious students - the BSR Scheme of the UGC - is open to candidates who are selected for registering to the Ph.D. programme of the university through a procedure outlined already in the UGC notification by a regular admission procedure. The registration for Ph.D. may follow after the admissions.

Objectives

The objective of the BSR Scheme is to provide opportunities to meritorious candidates to undertake advanced studies and research leading to Ph.D. degrees in sciences.

Eligibility

The candidates who are selected for registering to the Ph.D. programme of the university through a procedure outlined already in the UGC notification by a regular admission procedure in Universities with Potential for Excellence/Centres with Potential for Excellence / Centres of Advance Studies and Department of Special Assistance identified by UGC are eligible. The registration for Ph.D. may follow after the admissions.

6.20 Operation Faculty Recharge

Operation Faculty Recharge has been launched, under which 1000 faculty positions are being created to be filled at national level through global advertisement. A Cell has been created in JNU for implementation of this scheme and Prof.R.P.Gandhi as National Co-ordinator and Prof. Sudesh Nangia as Associate Co-ordinator have been appointed. The Web Portal of Faculty Recharge Programme has been launched on 09th June, 2011 by Hon'ble Minister of Human Resource Development. The selection process for Faculty Members is in process. During the year i.e. 2013-2014 so far ₹2.04 crores had been released to 18 Faculty i.e. Professor / Assistant Professor / Associate Professor.

6.21 UGC-BSR Faculty Fellowship Scheme

With a view to providing an opportunity for continuance of research contributions in Basic Science Research by talented Science and Technology teachers who are nearing superannuation in the State Universities, the UGC has started a new Scheme called, "UGC-BSR Faculty Fellowship" in the year under Report. The main objective of the Scheme is to facilitate talented teachers in Science & Technology who are at the verge of superannuation to continue their productive research for an additional period of three years after superannuation and to play a research mentorship role for young researchers and Ph.D. students.

Eligibility Criteria

- Teachers at the level of Associate Professors / Professors in the Science and Technology departments of the universities.
- Should have at least 15 research publications in reputed journals and have guided at least 15 Ph.Ds in Basic Sciences or 10 in Engineering and Technology in their career, out of which 5 should be in the last 10 years.
- Evidence of having handled / sponsored research projects as Principal Investigator funded by National / International agencies in the last 10 years.
- This Scheme is applicable to the teachers one or two years prior to his / her age of superannuation, stipulated by the concerned university.
- The applicants shall not hold any administrative responsibility during the tenure of the fellowship which would be from the date of superannuation.

Gender and Social Equity

7.1 Development of Women's Studies in Indian Universities and Colleges

The Commission provides financial assistance to the Universities/Colleges under the scheme "Development of Women's Studies in Indian Universities and Colleges".

This Scheme intends to promote high standards in universities and colleges by way of extending facilities to teachers, researchers and students by providing a forum for sharing their knowledge, experiences and research.

The UGC will provide financial assistance to the existing centres and also to newly approved Centres, if any, during XII Plan (2013-14 to 2016-17). At present there are 156 Women's Studies Centres in various Universities and Colleges. A grant of ₹1.77 crore has been released to various universities and colleges during 2013-14.

The Scheme of Capacity Building for Women Managers in Higher Education has been merged under the Scheme of Development of Women's Studies in Indian Universities and Colleges. The Scheme of Development of Women's Studies in Indian Universities and Colleges has been enlarged to encompass the scheme of "Capacity Building for Women Managers in Higher Education" as per the Commission's decision taken in its meeting held on 10-05-2013.

7.2 Establishment of Centres in Universities for study of Social Exclusion and Inclusive Policy

Social exclusion not only generates tension, violence and disruption, but also perpetuates inequality and deprivation in society. In India, certain communities such as Scheduled Castes, Scheduled Tribes and religious minorities experience systemic exclusion in the matter of getting advantages of development. Social exclusion is a complex and multidimensional concept having social, cultural, political and economic ramifications. The consequences of macroeconomic factors such as poverty, unemployment and involuntary migration exclude the victims from economic, cultural, and political activities. The primary space where 'exclusion' can be studied, understood, and first transcended, are our universities, which can and must act as a beacon for society. The UGC has therefore decided to support research on the issue of social exclusion, which has theoretical as well as policy importance. The idea is to establish a number of teachings-cum-research Centers in Universities to pursue these themes.

Objectives

- (a) Conceptualizing discrimination, exclusion and inclusion based on caste/ethnicity/religion;
- (b) Developing understanding of the nature and dynamics of discrimination and exclusion;
- (c) Contextualizing and problematizing discrimination, exclusion and inclusion;
- (d) Developing an understanding of discrimination at an empirical level;
- (e) Formulating policies for protecting the rights of these groups and eradicating the problem of exclusion and discrimination.

Functions

- Teaching Courses at the M.A and M.Phil levels, leading eventuality to full-fledged M.A and even M.Phil programmes in Social Exclusion Studies.
- Undertaking M.Phil and Ph. D. supervision.
- Undertaking empirical studies with theoretical perspective and build time series data bank for comparative studies and policy/programmes evaluation.
- Carrying out detailed rigorous analyses based on the socio-economic data generated by government agencies.
- Organizing conferences, seminars and symposia on the theme of Social Exclusion.
- Publishing regularly the research findings of the faculty and students.
- Organizing public lectures on the subject by eminent scholars.
- Reaching out to scholars, especially young scholars, in other universities and colleges through an active programme of inviting Visiting Faculty.
- Establishing links with Civil Society Organizations engaged in combating Social Exclusion.
- Conducting short-term Orientation courses for political leaders, Parliamentarians, government officials, trade unionists and media personalities.

Number of beneficiary Universities: 35 Universities

Grant paid XII plan (2012-2017)

2012-13	496.00 lakhs	grant was released in respect of 15 universities
2013-14	NIL	NIL

Since the inception of this Scheme, the UGC has established **35** centers in different universities (**13** in the year 2006-07 & **22** in 2007-08).

7.3 Establishment of Special Cells for Scheduled Castes and Scheduled Tribes

To oversee the effective implementation of the reservation policy in universities, a Standing Committee on SCs/STs was constituted by the UGC in 2012. The Committee is represented by a Vice-Chancellor and an Ex-Vice-Chancellor in the field of higher education.

To safeguard the interests of the Scheduled Castes and the Scheduled Tribes the most deprived groups of the Indian Society, the constitution provides reservation in various services under Central and State Governments. The main objective is not to just provide jobs to increase their representation in services, but to improve their social & educational status so that they can have their rightful place in the main-stream of the society. As per the constitutional provisions, the reservation for Scheduled Castes is 15% and 7.5% for Scheduled Tribes at the national level and the reservation in States is provided depending on their population in the State concerned.

The Commission introduced the scheme of Establishment of SC/ST Cells in Universities in the year 1983.

Objectives

- To ensure effective implementation and monitoring of the reservation policy for SCs/STs and programs of the Govt. of India and the UGC in universities and colleges;
- To collect data regarding implementation of policies in respect of admissions, appointments to teaching and non-teaching positions, etc.;
- To take such follow-up measures, which can help in achieving the targets laid-down for the purpose;
- To implement, monitor and evaluate continuously the reservation policy in universities and colleges and plan measures for ensuring effective implementation of the policy and programmes of the Government of India.

Functions of the Special Cells

- To circulate the decision of the Government of India-and those of the Commission and to collect regularly, on an annual basis, information regarding course-wise admissions of candidates belonging to the Scheduled Castes and Scheduled Tribes in the universities and colleges for different courses, in forms prescribed by a stipulated date and to take follow up action, where required.
- To circulate Government of India orders and Commission's decisions and to collect information in respect of appointment, training of these communities to take up teaching and non-teaching posts in the universities and colleges, in suitable forms by a stipulated date and take follow up action, where required.

- To collect reports and information regarding the Government of India orders on the various aspects of education, training and employment of Scheduled Caste and Scheduled Tribe candidates, for evolving new policies or modifying the existing policy by the Commission.
- To analyze the information collected above and prepare reports and digests for onward transmission to the Ministry of Human Resource Development/University Grants Commission and such other authorities as may be required.
- To deal with representations received from Scheduled Caste and Schedule Tribe candidates regarding their admission, recruitment, promotion and other similar matters in universities/ colleges.
- To monitor the working of the remedial coaching scheme, if approved in the affiliated colleges and the university.
- To function as a Grievances Redressal Cell for the Grievances of SC/ST students and employees of the university and render them necessary help in solving their academic as well as administrative problems.
- To maintain a register for employment of SCs/STs in the university and the colleges for various posts in the university/colleges.
- Any other work assigned from time to time to promote higher education among these two communities suffering economic, social and educational deprivations.
- The SC/ST Cell exclusively looks after the work related to SC/ST matters and no other work is assigned to the Cell.
- If the required data is not submitted by the given date, the UGC reserves the right to withhold either the plan or the non-plan grant until the required information/data is received. Hence, the universities/colleges are advised to supply the necessary information as required.

Number of beneficiaries Universities: 127 (Universities/Deemed Universities and IUC's)

7.6 Facilities for Persons with Disabilities

The Constitution of India ensures quality, freedom, justice and dignity of all individuals and implicitly mandates an inclusive society for all including persons with disabilities. In the recent years, there have been vast and positive changes in the perception of the society towards persons with disabilities. It has been realized that a majority of persons with disabilities can lead a better quality of life if they have equal opportunities and effective access to rehabilitation measures.

The Persons with Disabilities Act, 1995, indicates that differently abled persons should have access to education at all levels. In the higher education sector, the University Grants Commission has been supporting universities and colleges in the country and involving them in special education activities to empower differently abled persons.

The UGC, from time to time, has been conveying to the Universities and Deemed Universities, the policy decisions, including reservations in admissions and employment of the Government of India pertaining to the persons with disabilities. In addition, the decisions taken and the guidelines framed at the level of the Commission in this regard have also been circulated to all universities for implementation. The Commission had also circulated the Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 to the universities requesting them to strictly follow the provisions contained therein.

Besides, the UGC is also implementing plan schemes for the benefit of persons with disabilities. The Chairman, UGC, has constituted 2 committees which are as under:-

1. To review and revise the rules, schemes and provisions concerning the disabled students and teachers. 8 meetings of the committee had been held on 8th Aug, 2012, 17th Sep 2012, 28th Oct 2012, 11th Dec 2012, 18th Jan 2013, 9th Feb 2013, 1st April 2013 & 18th June 2013.
2. To monitor the effective implementation of the reservation policy for persons with disabilities in employment and admission in universities/colleges.

7.6(a) Teacher Preparation in Special Education (TEPSE)

The Teacher Preparation in Special Education (TEPSE) scheme is meant for assisting Departments of Education to launch teacher's preparation programmes to prepare special teachers to teach children with disabilities in both special and inclusive settings. The scheme provides financial assistance to offer B.Ed. and M.Ed. Degree courses with specialization in one of the disability areas.

Objectives

To encourage universities to start M.Ed. special education courses to prepare teacher-educators to serve in higher education institutions offering special education teacher preparation courses.

Eligibility

Higher education institutes offering special education course at B.Ed. and or M.Ed. level will be given assistance under the following conditions.

1. The university department should have the approval of the Rehabilitation Council of India for starting the concerned teachers preparation course in special education.
2. The university should have a model school where differently abled children are admitted. In the absence of its own model school. University should produce in writing the acceptance of a special/integrated school in the vicinity to function as a model school.
3. The university should have a minimum of five years of experience in running B.Ed. level teacher preparation courses.
4. The university should have constituted an expert committee involving faculty members from the university, experts in the field and differently-abled persons themselves. The committee should meet at least once a year to review the activities related to the scheme (S) concerned.
5. University applying for the scheme should have been approved by the UGC under section 2(f) & 12(B).

Financial Assistance

₹ 2.00 Lakh B.Ed special education or M.Ed special education courses only (Plan period)

₹ 4.00 lakh run both B.Ed and M.Ed special education courses only (Plan period).

Tenure – 5 years

7.6(b) Higher Education for Persons with Special Needs (HEPSN)

The HEPSN scheme is basically meant for creating an environment at the higher education institutions to enrich higher education learning experiences for differently-abled persons. Creating awareness about the capabilities of differently-abled persons, construction aimed at improving accessibility, purchase of equipment to enrich learning, etc., are the broad categories of assistance under this scheme.

Eligibility

Financial assistance under the scheme is available to such universities and colleges which come within the purview of section 2(f) and are fit to receive central assistance under Section 12B of the UGC Act, 1956.

Ceiling of the grant for university

Component I	₹ 1.18 lakh per annum
Component II	₹ 10.00 lakh per Plan
Component III	₹ 8.00 lakh per Plan

Ceiling of the grant for college

Component I	₹ 98,000/- per annum

Relevant and Value Based Education

8.1 Introduction of Career Oriented Courses in Universities and Colleges

The vocationalisation programme at the undergraduate level initiated during the Eighth Plan year (1994-95) has since been redesigned in 2003-04 under a modified Scheme of Career Orientation to Education/ Career Oriented Programme/ Career Oriented Courses.

Objective(s) and salient features

The objective of the Scheme is to ensure that the graduates who pass out after completing these courses, have knowledge, skills and aptitude for gainful employment in wage sector in general, and self employment in particular, so as to reduce the pressure on institutions of higher learning for Master's Degree programmes. These courses run parallel to the conventional B.A., B.Com and B.Sc. degree. The courses offered are in the form of Certificate/ Diploma/ Advance Diploma which students may opt parallel to their conventional B.A. / B.Com/ B.Sc. degrees.

Certificate Course: The course will be of 20 credits. Each credit will have 15 hours of workload out of which 8 credits should necessarily be assigned to field work/ project work/ training.

Diploma Course: The course will be of 40 credits (inclusive of 20 credits earned during Certificate Course). Each credit will have 15 hours of workload out of which 8 credits should necessarily be assigned to field work/ project work/ training.

Advanced Diploma Course: The course will be of 60 credits (inclusive of 40 credits earned together during Certificate and Diploma Courses). Each credit will have 15 hours of workload out of which 8 credits should necessarily be assigned to field work/ project work/ training.

The successful students are awarded Certificate/ Diploma/ Advanced Diploma under this programme.

The courses offered are inter-disciplinary in nature. The students shall have the freedom to diversify into various fields, not necessarily related with their core discipline, e.g. a science student could side by side pursue a course in Event Management, and student of Arts background have the option to pursue a course in Science Journalism, etc.

Tenure : The UGC provides financial assistance to the universities/colleges for approved add-on-courses for five years.

Selection Procedure : The Proposals received from universities/colleges are considered by the Expert Committees. Grants are provided to colleges / universities for add-on-courses recommended by the Expert Committees and approved by the UGC.

During the XII Plan, 793 courses were approved for five years to 522 institutions (516 colleges + 6 universities) for introduction of Career Oriented Courses. The Scheme of Career Oriented Courses are for all categories of students studying B.A, B.Sc, B.Com, including SC/ST, Women, etc.

Grants Paid during the XII Plan 2012-17 (2013-14)

A total grant of ₹ 13.37 crores was paid during the year 2012-13. Due to requirement of certain information/ documents and non-receipt of the same from the colleges/universities, grant could not be released during 2013-14.

During the XI Plan 793 courses were approved for five years to 522 institutions (516 colleges + 6 universities) for introduction of Career Oriented Courses (COC). Out of 522, grants to 91 Institutions had already been released during 2012-14. No grant could be released during 2013-14. The rest of 531 institutions have been targeted during 2014-15. It has been decided by the UGC that 12th Plan files relating to colleges which are in the pipelines, may be processed for release of grant by the COC Bureau. Thereafter the files may be transferred to the UGC Regional Offices to be handled for the rest of the XII Plan period. In respect of universities, it will continue to be handled by the COC Bureau.

8.2 Area Study Centres in Universities

Introduction

The Commission started Area Studies Programme in 1963 in different universities. In the last five decades it has evolved with all its strength and limitations. In the context of post-cold war when globalization is setting the agenda of international affairs and defining the terms of international relations, the Programme requires fresh thinking in its academic thrust, approach and organizational format.

The major objectives of the Area Studies Programme are as follows: -

- a. to promote holistic understanding of the area with its cultural, social, economic and strategic specificities;
- b. to promote alternative paradigm of area studies from the perspective of postcolonial societies;
- c. to contribute towards Indian perspectives of the region and issues;
- d. to provide critical input to the policy makers particularly in India's economic, strategic and political interests;

- e. to bring knowledge of regions of the world to the core of intellectual disciplines;
- f. To conduct research to promote inter-regional comparative perspective.

As on 31-3-2014, 52 Centres were working under the Area Studies Programme.

During the period 1-4-2013 to 31-3-2014 an amount of ₹2.00 crore was released to these Centres under the programme.

8.3 Epoch Making Social Thinkers of India

India has produced great thinkers and social leaders who, by their revolutionary and path breaking thoughts and actions, have left a lasting impact not only on India, but the world as a whole. They have developed indigenous ideas and have provided cultural and ethical identity to India. There is a great need to acquaint the teachers and students with their thinking and work and to involve them in studies, research and field work based extension service programmes of constructive work. The Scheme of Epoch Making Social Thinkers of India (Special Studies) was initiated by the UGC in the year 1983 and continued in the XII Plan also.

Objective(s) and salient features

Under this Scheme, assistance is provided by the UGC to set up Centres for Special Studies in universities/ colleges/institutions for conducting programmes in order to acquaint teachers and students with thoughts and ideas of great thinkers and social leaders/reformers.

There are 376 Special Studies Centres established in various universities/colleges under the Scheme 'Epoch Making Social Thinkers of India'. This Scheme is for all beneficiaries (universities, colleges, teachers, students, women, SC /ST, etc.).

Grant paid during XII Plan 2012-17 (2013-14): ₹1.84 Crore

186 Special Studies Centres have been approved for continuation in the XII Plan during the year 2013-14.

8.4 Human Rights Education (HRE)

(i) Human Rights and Duties

Although every right entails a duty, there has been a feeling in certain quarters that while rights education is promoted, the question of duties has not been adequately addressed. In a society which emphasized on duties for centuries, rights education comes as a correction of historical distortions. The violation of rights could be corrected only when the privileged persons are reminded of their duties towards the marginalized sections, and marginalized sections are gradually empowered through rights education. HRE at these levels would extend to such areas as gender equity, caste and community relations, majority-minority conflicts, 'forward-backward' dilemma and North-South power relations. In short, all power relations have to be humanized and democratized through restructuring of rights and duties.

(ii) Human Rights and Values

HRE will also focus on value education:

- (a) One of the objectives is to create awareness and commitment to values where the individualistic self interest is properly reconciled with the collective and common good.
- (b) There has to be a debate on universal values and relativistic values that are culturally determined. The search for universal values assumes added importance in a globalizing but fragmented world.
- (c) The Values like pluralism, respect for all religions, scientific temper, open mind, public reasoning, all of which have been part of Indian traditions for long, will have to be sustained and promoted.

(iii) Human Rights and Human Development

Rights are not only standards, but also claims of the citizens on the allocation of resources of the society. Indian Economy is growing at a fast pace, but the economic disparities are also growing. It is necessary to recognize that development needs and equity concerns should go hand in hand. Any level of material development will not lead to human happiness unless it values human life and provides the conditions for fuller realization of the human potential. Human being is both a subject and an object of development. The State has an obligation in the promotion and enforcement of the rights and has to envision rights approach to development. No doubt these obligations when they are carried out, will lead to balanced human development. HRE will include all these components.

The following activities are supported by the UGC under the Scheme:

- a) Research
- b) Teaching
- c) Organization of Seminars/Workshops/Conferences, etc.

A one-time grant of ₹10.00 lakh will be provided to take up these activities in following proportion :-

- i) Research : 25% of the ceiling.
- ii) Teaching : 25% of the ceiling.
- iii) Organization of Seminars/Workshops/Conferences, etc : 50% of the ceiling.

An amount of ₹ 40,000/- was released during the year 2013-14.

Integration of Information and Communication Technologies

9.1 E-Governance

The UGC has initiated the implementation of the e-governance project through a centralized initiative to realize the objective of inter-operability of various e-governance applications for a decentralized implementation model.

As part of E-Governance, E-Office has been set up in the UGC to create paperless environment as regards receipt and movement of files etc. The hands-on-training programme on e-files, e-leave, personnel information system and knowledge management system was conducted. Master Trainers identified by the UGC were also trained for handling day to day problems. The NIC is also developing web based online application forms for the XIIth Plan Schemes of the UGC.

The Project of E-Governance Automation and Affiliation / Disaffiliation of Institutes/Courses in the UGC was awarded to the NIC during the year 2013 and a total grant of ₹1,68,00,000/-has been disbursed to the NIC.

9.2 Production of Courseware E-Content for Postgraduate Subjects

e-PG Pathshala : The National Mission on Education through Information and Communication Technology (NME-ICT) is envisaged as a Centrally Sponsored Scheme to leverage the potential of ICT, in teaching and learning process for the benefit of all the learners in Higher Education Institutions at any-time anywhere mode. Its motto being “to provide connectivity up to the last mile”, the NME-ICT aims to extend computer infrastructure and connectivity to over 37000 colleges existing at present and each of the departments of over existing 600 universities/deemed universities and institutions of national importance in the country. The numbers of institutions/ departments is likely to grow in future.

The Project “Production of Courseware e-Content for Post Graduate Subjects” was awarded to the UGC as nodal agency by NME-ICT-MHRD in year 2011 for development of e-content at PG level in 77 subjects. Total Cost of Project received by the UGC from MHRD is ₹84 crore. The beneficiaries in the Project are permanent teachers of recognised institutes of higher studies having teaching experience of more than 10 years in a particular subject. Total cost incurred in the Project during 2013-14 is ₹6,59,400/-. A Standing Committee of 20 members has been constituted by the UGC under the Chairmanship of Prof. M. Anandakrishnan (Chairman, Indian Institute of Technology Kanpur) for the task of e-content development.

10.1 Community Colleges

The University Grants Commission has launched the Scheme of Community Colleges on a pilot basis during the year 2013-14 on a reference from the M/HRD. The Community Colleges Scheme is to offer low cost high quality education locally, that encompasses both traditional skill development as well as traditional coursework, thereby providing opportunities to the learners to move directly to employment sector or to move to higher education sector. It offers a flexible and open education system which also caters to community based life-long learning needs. It has a synergistic relationship between Community, Community Colleges (CC) and Job market. The CC are to offer knowledge-skill mixed programmes of different durations depending on the need of the local industry leading to a certification at various levels of NSQF.

Sixty four Community Colleges were approved under the scheme during 2013-14. Later on, the UGC revised the guidelines of the Scheme and adopted it as one of its independent schemes. The UGC invited fresh proposals from the universities and colleges under the Scheme and approved 102 fresh Community Colleges in 2014-15. Out of the 64 Community Colleges approved in 2013-14, seven were approved in universities and 57 in colleges. In the same way, out of 102 Community Colleges approved during 2014-15, 10 are for universities and 92 are for colleges.

The main objectives of the Scheme are:

- to make higher education relevant to the learner and the community;
- to integrate relevant skills into the higher education system;
- to provide skill based education to students currently pursuing higher education, but actually interested in entering the workforce at the earliest opportunity;
- to provide employable and certifiable skills with necessary general education to Senior Secondary School pass-outs not willing to join existing higher education system;
- to provide for up-gradation and certification of traditional / acquired skills of the learners irrespective of their age;
- to provide opportunities for community-based life-long learning by offering courses of general interest to the community for personal development and interest;
- to provide opportunity to move to higher education in future; and

- to offer bridge courses to certificate holders of general / vocational education, so as to bring them on a par with appropriate NVEQF level.

Eligibility for admission: 10 + 2 or equivalent

Scholarship: 1000/- p.m. per student

Target / Eligibility

Universities and Colleges recognized by the UGC under Section 2(f) and 12B of UGC Act, 1956, and receiving General Development Assistance are eligible for implementing the Scheme of CC.

Selection of Community Colleges

While selecting the host institution for the CC, preference will be given to such colleges / universities which have proximity to the local industry partners, address local job requirements and/or youth aspirations of the region. Considering an Autonomous College as host institution of the CC, may have added advantages for curriculum design, assessment and governance, etc., and therefore, will be accorded priority under the Scheme.

The proposals are invited in a prescribed proforma (Annexure I in the UGC Guidelines) from the interested universities/colleges eligible to apply under the Scheme by issuing a public notice on the UGC website. The proposals submitted within the specified time, with a detailed DPR, proposed Action Plan and itemized budget estimates are placed before an Expert Committee for evaluation and selection, based on merit.

Financial Assistance:

Based on the proposal scrutinized by an Expert Committee in the UGC, the financial assistance up to the limit of ₹ 1 crore (₹ one crore) per CC per year may be provided for guest faculty and their training / capacity building / skill upgradation, development of curriculum, laboratory, workshop facilities, consumables and scholarships to learners and such other heads defined in the UGC Guidelines.

Details of Programme and Curriculum in Community Colleges, and Institutions Offering Community Courses are available on the UGC website <http://www.ugc.ac.in>.

The status of grants allocated for the above Colleges and released in 2013-14 are given below :

S.No.	Name of the Scheme	No. of proposals approved		Total	Grant allocated	Grant paid
		Universities	Colleges		₹	₹
1.	Community College	9	55	64	2913.63 crore	11,93,34,050

It is decided to support 100 new Community Colleges every year. As an industry partner is involved in framing of curricula, training and assessment of the learners, the students completing the courses will meet the requirements of the industry.

10.2 Distance Education

The Ministry of Human Resource Development, vide its Order dated 29th December, 2012, issued directions under section 20(1) of the UGC Act, 1956 with regard to regulation, maintenance of standards, and according recognition in respect of Distance Education programmes conducted by institutions of higher education. The directions inter alia contained the following:

- (i) The UGC shall act as a regulator in respect of ODL programmes, and universities/institutions need to seek recognition/permission from the UGC for conducting such programmes;
- (ii) The UGC will develop Regulations for maintenance of norms and standards in ODL programmes in accordance with the recommendations of the Madhav Menon Committee Report (December, 2011);
- (iii) The UGC will create necessary physical infrastructure and manpower to discharge the regulatory functions, and for the purpose utilise the staff of erstwhile Distance Educational Council (DEC), in consultation with IGNOU;
- (iv) The UGC shall, as soon as DEC is dissolved, start performing its functions as the regulator of ODL programmes.

Steps taken by UGC

In pursuance of the above directions, the UGC has taken several steps, including the following:

- (i) The UGC constituted an Expert Committee under the chairpersonship of Prof. N.R. Madhava Menon to frame appropriate regulations for the conduct of distance education programmes in the country. This Committee submitted its Report to the UGC in November, 2013. The Report was placed in public domain. Thereafter, the Distance Education Bureau formulated the Regulations which were considered by the Commission in its meeting held on 10th January, 2014. Based on the changes suggested by the Commission, the revised (new) Regulations were sent to the Ministry of HRD for its concurrence/approval. It was decided that the new Regulations on ODL would be made effective from academic session 2014-15 onwards.
- (ii) The UGC has vide its order dated 31st May, 2013, made interim arrangements for work relating to grant of recognition in respect of the distance education programmes, and for this purpose the officials of the erstwhile Distance Education Council (DEC) have been take over by the UGC on 'deemed deputation' until further orders. The UGC has also sent a proposal to the Ministry of HRD for creation of 'academic and non-academic' posts in the UGC to undertake the regulatory functions of ODL.
- (iii) The UGC has also, vide its letter dated 28th May, 2013, wrote to all Vice Chancellors of universities with regard to repeal of Statute 28 of IGNOU Act, shifting of the regulatory responsibilities of

ODL from IGNOU to the UGC, with the request to universities to ensure that no further affiliation/ approval is granted to any new centre for ODL programme/course till the new Regulations are notified.

- (iv) The UGC, vide its Notifications dated 17th June, 2013, laid down the mechanism for dealing with the institutions engaged in open distance learning till such time the new Regulations were framed/notified. It was inter alia decided that the present guidelines of DEC would govern the decision making process for grant of permission for ODL programmes till the new Regulations are notified by the UGC. The UGC has also issued a Public Notice dated 27th June, 2013 with regard to Courses/Study Centres/Off Campus & Territorial Jurisdiction of Universities. The said Public Notice deals with some important matters relating to jurisdiction of universities, especially with regard to Private Universities, Deemed Universities and Universities offering distance education programmes.
- (v) The UGC constituted an Expert Committee under the chairpersonship of Prof. Mohammad Mian, Vice Chancellor, MANUU, Hyderabad, with Dr P Prakash, (then) Vice Chancellor, Dr BR Ambedkar Open University, Hyderabad and Prof Hari Chandan, Director, Institute of Distance Education, University of Mumbai as members to give its recommendations on all the pending applications with the erstwhile DEC. This Committee has held five meetings and has given its recommendations in respect of the pending applications and other matters relating to grant of approval/recognition. The recommendations of the first 3 meetings of the Expert Committee were considered by the Commission in its meeting held on 31st July, 2013. The recommendations of the 4th meeting and the 5th meeting of the Expert Committee were considered by the Distance Education Committee.
- (vi) The Commission constituted the Distance Education Committee, under Chairmanship of Chairman, UGC, and consisting of two Commission Members - Prof DN Reddy and Dr VS Chauhan and Shri Praveen Prakash, JS (TEL), MHRD, to consider the recommendations of the Expert Committee and take all decisions on distance education on behalf of the Commission. The Expert Committee has so far held 5 meetings, while the Distance Education Committee has held two meetings during 2013-14.
- (vii) In order to provide financial assistance to the State Open Universities and other institutions imparting Distance Education programmes, an activity which was undertaken by the erstwhile DEC out of funds released to it by the Ministry of HRD, the UGC appointed an Expert Committee for Financial Assistance to ODL Institutions under the Chairpersonship of Prof H P Dikshit. The Committee invited proposals for financial assistance from the ODL institutions and approved release of grants in three meetings. An amount of ₹57.00 crore approximately has been sanctioned to 12 State Open Universities and about 45 Directorates of Distance Education of the dual mode Universities during 2013-14.

10.3 B.Voc. Degree Programme

It has been a long felt necessity to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. The UGC launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc.) Degree with multiple exits with Diploma/Advanced Diploma under the NSQF. The B.Voc. programme is focused on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their NOSs along with broad based general education. This would enable the graduates completing B.Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

Objectives

- To provide judicious mix of skills relating to a profession and appropriate content of General Education.
- To ensure that the students have adequate knowledge and skills, so that they are work ready at each exit point of the programme.
- To provide flexibility to the students by means of pre-defined entry and multiple exit points.
- To integrate NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements. Such graduates apart from meeting the needs of local and national industry, are also expected to be equipped to become part of the global workforce.
- To provide vertical mobility to students coming out of 10 + 2 with vocational subjects.

Details on programme curriculum, list of Colleges/Universities selected under the scheme of B.Voc Degree programme offering courses in 80 different sectors are available on UGC website: <http://www.ugc.ac.in>
